PROGRAM ASSISTANCE

30-YEAR FORGIVABLE SECOND MORTGAGE

The assistance is calculated on the Note amount. Lenders fund the assistance at closing and are reimbursed at loan purchase by U.S. Bank. The Assistance may be used for down payment or closing costs, prepaids and to fund Realtor commission. While there is no cash back in this program, the borrower may be reimbursed for any overpayment of escrow. Since the assistance is a fixed percentage, any remaining Assistance must be applied as a principal reduction. Assistance is in the form of a 0% interest, second mortgage, forgivable after the 360th month, with no scheduled payments (NOT pro rata). Any remaining amount of the DPA second mortgage will only be due from the borrower if the first mortgage is prepaid, refinanced or if the borrower sells, transfers or otherwise disposes of the property, including foreclosure, before the end of the 360 month period. The Assistance is reserved automatically with the first mortgage reservation. There is no additional reservation necessary.

(Rev. 11/14/24 Effective 09/16/24)

PROCESS SUMMARY FROM TRAINING TO LOAN PURCHASE

LENDER ONBOARDING

Our On-Boarding process is designed to provide all participating lenders and their staff web-based training related to the Program, Technical and Workflow requirements of each program. Based on your role, there are certain training requirements prior to adding a new Program and Features. These are determined based on which modules you have completed in the past, and which Programs you want to add to your Portfolio.

Once you have submitted the eHP On-Boarding Registration, the eHP On-Boarding Team will create a specific training program for you based on the role(s) you selected, and you will receive an email confirmation with relevant information. Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification. [Click on this link to register for training.](#)

QUALIFY

Lenders use program requirements to qualify applicants for the program. Buyers must present an executed sales agreement before being entered into the program reservation system.

RESERVE FIRST MORTGAGE AND ASSISTANCE FUNDS

To reserve funds use the [eHousingPlus eHPortal](#). Log in and reserve the first mortgage that automatically provides Assistance. You will receive a loan number and a message that you've completed the reservation successfully. **Provide the borrower with the Partial Exemption Disclosure Form at time of reservation (Assisted Rate Loans only) using eHP FrontPorch and the eHProForms App.** **This executed document will be included in the file sent to US Bank post-closing.**

CONVENTIONAL LOANS IMPORTANT INFORMATION

It is important that when the reservation is created in the eHPortal the correct RATE OFFERING is selected, there are several choices: Fannie 80% AMI - Freddie Mac 80% AMI and Fannie OVER 80% AMI. Be sure to check your DU or LPA findings and SELECT THE CORRECT AMI level and loan product. (Added 01/28/22)

RESERVE REFINANCE LOAN

To reserve a Refinance Loan, choose any of the available rate offerings in the program. Then, reserve funds as you normally would. Except, you will enter a \$1 Purchase Price amount. (Added 01/12/22)

IMPORTANT

A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHPortal. [Click on this link](#) to clear flags for the borrower to be permanently removed from the eHousingPlus Lender Portal. Until this process is complete, the lender will not be able to re-reserve funds for the borrower. (Updated 03/04/24)

eHP Tip! *Need a reminder as to how to register a loan, complete the UW Certification, edit a loan or print forms?*

[Log-in to eHP FrontPorch](#), then click on the eHPlaylist to view a short video.

PROCESS

Lenders process the loan as they would normally keeping in mind the program timelines.

CHANGES TO A LOAN

A lender is able to make changes to some fields prior to Underwriter Certification. A lender may make corrections to a borrower name, closing date, city, state and zip code. Fields that a lender cannot change are to the property street address and social security number.

UNDERWRITE AND CERTIFY

Lenders underwrite & are responsible for credit decisions of the loans in the program. Servicer does not re-underwrite loans. **Following loan reservation and PRIOR to loan closing, the Lenders Underwriter MUST complete the online UW Certification within the [eHPortal](#).** Once a loan is Underwriter Certified no further changes can be made. If a change needs to occur after the certification is complete, please [Log-In Here](#) > Collaboration Station and request for the underwriter certification to be removed.

Freddie Mac requires HFA Advantage loans to be underwritten through Loan Product Advisor (LPA) only, and will not accept any loans underwritten through Desktop Underwriter (DU).
(Rev 9/21/22)

CLOSE AND VERIFY

THE LENDER WILL FUND THE DOWN PAYMENT ASSISTANCE AT LOAN CLOSING.

Upon loan purchase, US Bank will reimburse the lender.

It's important to provide accurate closing instructions to closing agents. All program documents must be returned to the lender. It is VERY important to note, if the loan amount, purchase price or down payment assistance amount changes, and you have already printed forms, you'll need to print the forms again so the information on the form is accurate. The following program closing forms are found in [eHP FrontPorch](#) using the eHProForms App.

Compliance Files and Corrections to previously submitted files with erroneous or missing required documents will be managed through **eHP FrontPorch**. This portal provides lenders with all the tools necessary to deliver the required documents for the approval of the originated loan(s) in their respective affordable homebuyer programs. **eHP FrontPorch** is a secure, easy to use and efficient way for lenders to deliver the Compliance File, Correct DEF1's and pay the required Compliance Review Fees via our **eHPay** on-line fee approval, and related tools.

To assemble the compliance file, you will need a checklist. The checklist is specific to this program and used to submit the compliance documents post-closing to eHousingPlus.

[Log-in here and use the eHProForms App](#) to download the program forms.

Items to be uploaded in the compliance file include:

- Homebuyer Education Certificate
- FINAL SIGNED 1003
- FINAL SIGNED CLOSING DISCLOSURE (TRID form)
- Warranty Deed

UPLOAD THE COMPLIANCE FILE TO EHP DIGITAL DOCS

[Log-in here and use the Digital Docs App](#) to upload the compliance file.

The Compliance File should be a PDF file uploaded upright and in a clear legible format, composed of all required documents on the Checklist. Don't upload a compliance file until everything is included in the package. The more complete the file, the quicker the review and approval, and the file AND fee must be received to start the review process. Be aware that Loans will go straight to deficient status if items are missing, or if the fee was not received or properly identified. Once you are ready to upload your documents select eHP Digital Docs and from the drop down menu click on New Upload and follow the prompts.

SUBMIT THE REQUIRED COMPLIANCE REVIEW FEE

The Compliance Review Fee may be submitted separately from the Compliance File.

eHPay is a secure, efficient method for lenders to pay the fees ON-LINE. Loans managed through eHPay are processed faster, without fee errors or other unnecessary delays. The Lenders Accounting Staff can access eHP FrontPorch and process the compliance fees payment easily via the Digital Docs and eHPay apps.

Not sure of the required fee for your loan? Use the **FIND MY FEE** feature and get the instant answer by entering the eHP loan number or by Program. Compliance Files Uploaded are NOT ready for review until the Compliance Review Fee Payment has been received by eHP.

USE **PAYMENT CENTRAL** to determine any loan that may be pending fees, unidentified payments, files pending payment and short payments.

LOANS PENDING FEES lists Compliance Files that have been uploaded successfully, but whose fee payment is still pending. Lenders can monitor this area to ensure their fees have been delivered in a timely manner.

UNIDENTIFIED PAYMENTS are payments received from your company without the proper identification to apply it to the intended loan. Lenders can monitor this area to ensure that payments made are being properly identified with the eHP LOAN NUMBER.

PAID LOAN FILES lists compliance file that have been paid.

SHORT PAYMENTS If an incomplete payment is submitted, it will be displayed indicating the amount paid and the correct fee amount.

CLEAR A DEFICIENT COMPLIANCE FILE

LOAN DEFICIENCIES ARE NOT ACCEPTED VIA EMAIL.

Clearing files deficiencies is critical to your loan being approved and ultimately purchased. In the Deficient Compliance Files drop down, choose View/Upload Corrected DEFIs. This area will assist you in viewing what needs to be corrected, which documents are approved and complete, and you will have the ability to upload the correction and communicate with us in one simple area.

Is very helpful in resolving outstanding issues and having broader visibility for all of your post-closing staff who may need to work on resolving these discrepancies.

Please make sure that you're shipping and post-closing staff is very familiar with this area. Remember your loan cannot be approved with outstanding deficiencies.

PROGRAM TIMETABLE

Buyers MUST HAVE A FULLY- EXECUTED SALES CONTRACT FOR A SPECIFIC PROPERTY in order to have funds reserved or be on a waiting list. The contract may be dated prior to the date of the loan application. Buyers may be pre-qualified. However, if the buyer does not have a contract on a property, program funds cannot be reserved for the buyer until such time as the buyer presents a valid contract. To assure that loans are purchased, please follow the Processing, Delivery and Purchase Timetable below. Please DO NOT reserve loans that cannot meet the timetable.

If the loan is not underwriter certified PRIOR to the loan closing, the loan is subject to cancellation. eHousingPlus notifies Lenders via email that the loan may be canceled if the underwriter certification is not completed. If the closing date is extended, please change the closing date in the eHPortal. If your underwriter needs additional time to complete the certification, just email eHousingPlus and ask that a Note be added to the file so the loan does not cancel. Should the loan reservation be canceled at any point during the reservation, the issuer may allow the loan to be reinstated at the higher of the mortgage rate originally reserved or the current program mortgage rate. (Rev. 03/08/22)

Loan Processing, Delivery and Purchase Timetable

Once a loan is reserved in the eHousingPlus system and is provided the Servicer's Loan number, the loan must be:

- Underwriter Certified PRIOR to loan closing
- Purchased within 70 days of loan reservation*

* 70 days is from reservation to loan purchase by the servicer (this means the loan file closed, received compliance approval and is purchased by US Bank).

(Rev 03/08/22)

Loan Purchase Extension Fee

Effective Jan. 1, 2023, Any loan not purchased within 70 days will automatically receive a 30-day extension at the cost of 0.25% of the loan amount. Additional 30-day extensions will be applied as needed at a cost of 0.25% of the loan amount for each extension. Extension fee(s) will be netted by the Servicer when loans are purchased. (Rev 01/04/23)

PROGRAM FEES

eHousingPlus Fees

The program includes a first mortgage Compliance/Admin Fee and a penalty fee of \$100 for files that are chronically deficient. The Compliance/Admin Fee is submitted with the Compliance File via eHP [FrontPorch using the eHPay App](#).

\$300 eHP Compliance/Admin Fee (loans reserved 05/19/25 and after)

The Compliance/Admin Fee is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system, and assists the lender in processing the loan ensuring eligibility to the program available offerings, which can include various rate options, and down payment assistance.

The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements, and may include those for first-time homebuyer, income limits, sales price limits, targeted areas, homebuyer education, rate, term, points, fee limits, LTV, FICO score, special state, city, county program requirements for qualified military, first responders, teachers, etc.).

US Bank Fees

Funding fee should reflect as "Investor Funding Fee" on the LE/CD.
