Refer to the Rates Tab on the HHFDC web page in the eHousing system for current rates. The HHFDC 2025 Bond Program offers FHA, USDA-RD, VA, Fannie Mae HFA Preferred and Freddie Mac HFA Advantage loans.

EIN: 14-1967871

RATE LOCK AVAILABILITY

Loan reservations under the Program are available 24 hours a day. Current rates are available online within the system, click on this link to view the rates/offers.

FIRST MORTGAGE

The borrower will receive a 30-year, fixed rate, fully amortizing first mortgage loan with 360 level monthly payments and may choose to receive either No Down Payment Assistance (0%) and receive a lower first mortgage rate **AND/OR** down payment assistance. The borrower is required to provide a minimum borrower contribution determined by the Program. Current rates are available online within the system, click on this link. The mortgage is to be recorded by the Lender after closing.

DOWN PAYMENT ASSISTANCE (DPA) – 30-YEAR DEFERRED SECOND MORTGAGE LOAN

Down Payment Assistance (Assistance) is in the form of a 1% simple interest, 30-year deferred payment second mortgage loan. The amount of Assistance is calculated as 4% of the total loan amount as entered into the eHPortal. The assistance is automatically reserved upon first mortgage loan reservation in the eHPortal. This amount is funded by the Lender at closing and reimbursed by the Master Servicer upon loan purchase. Assistance may be used toward down payment costs. While there is no cash back permitted, the borrower may be reimbursed for any overpayment of escrow. Because the Assistance is a fixed percentage, any remaining Assistance must be applied as a principal reduction. The second mortgage will be due from the borrower upon first mortgage maturity, or if (i) the first mortgage is refinanced or otherwise repaid, (ii) the borrower no longer occupies the home as their principal residence, (iii) the borrower sells, transfers or otherwise disposes of the property, including foreclosure, (iv) or there is a default under the first mortgage loan or the second mortgage loan. The Corporation may accelerate the loan as provided by applicable statutes and administrative rules.

The second mortgage loan may be disclosed in one of two ways:

- 1) Initial and final Loan Estimate (LE) and Continuing Disclosure (CD) provided by the lender or title company (separate from the first mortgage LE and CD – the ALTA is not acceptable), OR
- 2) Second Loan Disclosure form signed at closing (this form is found with eHProForms via eHP FrontPorch).

The Borrower, through the title company, is responsible for recording the second mortgage at closing concurrently with the property conveyance document and first mortgage. A title policy is not required for the second mortgage. The Master Servicer will review all second mortgage documents.

FIRST-ROUND HOMEBUYER INCENTIVE

Up to three thousand dollars (\$3,000) is available in the form of a non-repayable one-time promotional marketing incentive payment from HHFDC, to the first 35 homebuyers who close their loans. The funds can

be applied to closing costs, prepaids, and reserves. The maximum amount that can be applied per loan is three thousand dollars (\$3,000). Lenders will advance the funds and be reimbursed by The Money Source, Inc. (TMS) at the same time that the loan is purchased by TMS. Lenders can verify that the incentive is available through the eHP system after signing in under their user credentials. Lenders will receive confirmation that the loan is eligible for the incentive at the time of loan fund reservation. Lenders will print the FHA/Fannie Mae/Freddie Mac HHFDC Incentive Funds Letter and provide a copy to the borrower as well as retain a copy of the letter in the loan application file. Lenders should reflect the promotional payment on page 1 of the LE under Calculating Cash to Close, Adjustments and Other Credits Line. Lenders should reflect the promotional payment on page 3 of the CD under Section L as a specific line item identifying the source of funds as "HHFDC Incentive".

Without DPA: A first-time homebuyer means the borrower must have had no ownership interest and occupied a principal residence at any time during the three (3) year period prior to the date on which the Mortgage Loan is applied for.

Documentation Required to Validate First-Time Homebuyer Eligibility

The following evidence is required to be included with each loan submission file (compliance file):

- 1) The last three years' federal income tax returns or transcripts or a combination of the two for all buyers and spouses (including non-purchasing spouses). While tax transcripts are preferred, the signed and dated federal tax returns are acceptable. Please be advised: "No Record Found" transcripts are NOT acceptable: it only validates non-filing for a specific tax year. Contact eHousingPlus with any questions.
- 2) A Fraud Report is required for all borrowers. Include all pages of the Fraud Report. The Lender must CLEARLY identify (using highlight or asterisks) the borrower property current ownership and three year history. On page One of the report, please include notation to identify the Fraud Report page number, without this identification, the file cannot be approved.

Fraud Report Tips

- Companies that provide the Fraud Report include Lexis Nexis, Drive (Data Verify) and Fraud Guard (First American Data).
- Ensure that the Fraud Report is complete and includes the section for Real Estate Owned. This information is not always provided as part of a standard report and must be included.
- A MERS-only report is not acceptable, as it reflects only loans registered with MERS and does not capture all existing loans.

Documentation Required to Validate Hawaii Residency

All buyers must be residents of Hawaii for a period of at least six consecutive months prior to the date of closing. Residency is established with State of Hawaii identification and/or a State of Hawaii tax return (full or partial year).

FIRST-TIME HOMEBUYER EXCEPTIONS

Veterans who meet the qualifications listed in this paragraph are not required to be first-time homebuyers. For this feature, "Veteran" is defined as "a person who served in the active military, naval or air service, and who was discharged or released therefrom under conditions other than dishonorable": The Mortgagor Affidavit has a checkbox that states: "If the Mortgagor is a qualified veteran, as defined under 38 U.S.C. §101 and Section 143(d)(2)(D) of the Internal Revenue Code, the first-time homebuyer requirement is waived, provided the Mortgagor has not previously received, anywhere in the United States, a mortgage revenue bond loan or mortgage credit certificate utilizing the veteran exception." Veterans would need to provide a valid DD214 that reflects a discharge status of other than dishonorable to qualify under the Veterans' Exemption.

Federal Recapture Tax

What is the Federal Recapture Tax?

It's a Federal Tax a Borrower may be required to pay from the net profit received from the sale or disposition of their home. If required, Federal Recapture Tax is due at the time a Federal Tax Return is filed for the year in which the home is sold or otherwise disposed of. The maximum Federal Recapture Tax is 6.25% of the original principal balance of the first and second loans or 50% of the net profit earned on the sale of the home, whichever is less.

Buyers obtaining a mortgage using the HHFDC 2025 Bond Program may be required to pay a Federal Recapture Tax if they meet all three (3) of the following provisions at the time of sale:

- The home is sold within the first nine (9) years of the purchase date, *and*
- A net profit is received from the sale of the home, *and*
- Household income at the time of sale exceeds the maximum income limit.

Borrowers are not subject to Federal Recapture Tax in the following circumstances:

- The home is transferred to a spouse, or former spouse, in connection with a divorce where no gain is included
- The home is destroyed by a casualty, and is repaired or replaced on its original site within 2 years after the end of the tax year when the casualty occurred
- The home is sold, or otherwise disposed of, as a result of the borrower’s death
- The home is refinanced – please note that refinancing does not cancel the recapture tax provision, which may still apply if the home is sold within nine (9) years.

Borrowers are more likely to pay Federal Recapture Tax in the following circumstances:

- Employed in a field with high growth income potential
- Income is close to the maximum income limit at the time the home is purchased
- Purchasing a home in a high housing inflation environment
- Marital status may change from single at time of purchase to married at time home is sold or otherwise disposed of.

If Federal Recapture Tax is owed, it is not collected at the time of the sale. The Borrower(s) must complete and file IRS Form 8828 with their Federal Tax Return for the year in which the home is sold or otherwise disposed of (regardless of whether the Borrower owes Federal Recapture Tax). The [IRS Form 8828](#) provides instructions to calculate and determine if Federal Recapture Tax is owed. HHFDC recommends consulting with a professional tax advisor to answer Federal Tax questions.

Borrowers may have to pay a federal “recapture tax” if they sell their home within the first 9 years **and** their income has grown above program limits **and** they make a profit on the sale.

To make this easier, here’s a quick guide:

You Will Owe Recapture Tax If...	You Will NOT Owe Recapture Tax If...
You sell your home within 9 years of purchase AND your income has risen above the program limit AND you make a profit.	You keep your home for more than 9 years.
	You sell at a loss or break even (no net profit).
	Your income at the time of sale is still under the program’s income limits.
	You transfer the home to a spouse/ex-spouse in a divorce.
	You pass away and your heirs sell the home.
	The home is destroyed (fire, disaster) and rebuilt on the same site within 2 years.
	You refinance the mortgage (refinance alone does not trigger recapture).

Important Note:

Even if you do not owe tax, you must still file IRS Form 8828 when you sell within the first 9 years. Borrowers should consult a tax professional if they are unsure.

PROGRAM HOUSEHOLD QUALIFYING INCOME

Program qualifying income considers the income of borrowers and their spouses (regardless of spouse’s occupancy of the primary residence and whether or not a party to the loan) AND all household members 18 years of age or older (related or unrelated). Do not include the income of a co-signer when determining Program income qualification*, the co-signer will not occupy the property and will not take an ownership interest. Use the co-signer as a loan guarantor only. See pages 25 - 29 of this guide for income calculation guidance.

Unless otherwise directed, Lenders are responsible for assuring that loans meet the strictest of applicable Program, Agency, and GSE rules with respect to income and sales price limits.

PROCESS SUMMARY FROM TRAINING TO LOAN PURCHASE

LENDER ONBOARDING

Our On-Boarding process is designed to provide all Lenders and their staff web-based training related to the Program, including Technical and Workflow requirements of the Program.

Based on your role, there are certain training requirements prior to adding a new program and features. These are determined based on which modules you have completed in the past, and which programs and features you want to add to your portfolio.

Once you have submitted the eHP On-Boarding Registration, the eHP On-Boarding Team will create a specific training program for you based on the role(s) you selected, and you will receive an email confirmation with relevant information. Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification.

QUALIFY

Lenders use Program requirements to qualify applicants for the Program. Buyers must present an executed sales agreement before being entered into the Program reservation system.

PROCESS

Lenders process the loan as they would normally keeping in mind the Program timeline. Please do not reserve funds too soon. Wait to reserve until you are relatively sure your underwriter will approve the loan prior to reservation in the eHousingPlus Lender Portal.

RESERVE FIRST MORTGAGE LOAN FUNDS

To reserve funds, use the [eHousingPlus eHPortal](#). Log in and reserve the first mortgage which will also **automatically** reserve the Down Payment Assistance, if applicable. To reserve funds in the Program the borrower is required to have a signed real estate purchase contract for a specific address. The lender will need a 1003 and the Real Estate Purchase contract in order to make a reservation. If the reservation is successful, you will receive a loan number and a message that you've completed the reservation successfully.

To reserve First-Round Homebuyer Incentive funds, click **ADD ADDITIONAL** after completing the first mortgage reservation to reserve the incentive. The incentive is available on a first-come, first-served basis. [Click on this link](#) to view how to add the homebuyer incentive to the eHPortal. The option to reserve the incentive will automatically be removed from the system once the funds are depleted.

If there is a non-purchasing spouse or a co-signer, you must also enter these individuals in the eHPortal so Program documents print with their names. If you are unsure how to do this, [please view this document](#).

IMPORTANT - A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHousingPlus Lender Portal. And then, the lender must [click on this link to complete an online form to CLEAR FLAGS on a cancelled loan](#) so the funds may be re-reserved with a new address. Until this process is complete, the lender will not be able to re-reserve funds for the borrower.

PRINT PRE-CLOSING PROGRAM FORMS

Provide the borrower with the Notices to Buyers and Recapture Tax Brochure at time of reservation. The program forms are found in eHP FrontPorch using the eHProForms App. The Notices to Buyers and Recapture Brochure both must be signed.

PROCESS

Lenders process the loan as they would normally keeping in mind the Program timelines.

ENTER PROPERTY APPRAISAL AMOUNT

Enter the property appraisal amount in the eHPortal using the PROPERTY tab under the Value field.

UNDERWRITE AND CERTIFY

Lenders underwrite & are responsible for credit decisions of the loans in the Program. Servicer does not re-underwrite loans. **Following loan reservation and PRIOR to loan closing, the Lenders Underwriter MUST complete the online UW Certification within the eHPortal.** Once a loan is Underwriter Certified no further changes can be made. If a change needs to occur after the certification is complete, please [Log-In Here](#) > Collaboration Station and request for the underwriter certification to be removed.

CLOSE AND VERIFY

THE LENDER WILL FUND ALL DOWN PAYMENT ASSISTANCE AT LOAN CLOSING. Upon loan purchase, the Master Servicer will reimburse the lender. It’s important to provide accurate closing instructions to closing agents. All Program documents must be returned to the lender. It is VERY important to note, if the loan amount, purchase price or down payment assistance amount changes, and you have already printed forms, you’ll need to print the forms again so the information on the form is accurate. The following Program closing forms are found in [eHP FrontPorch](#) using the eHProForms App.

COMPLIANCE FILE DELIVERY INSTRUCTIONS

ASSEMBLE THE COMPLIANCE FILE

Compliance Files and Corrections to previously submitted files with erroneous or missing required documents will be managed through the **eHP FrontPorch**. This portal provides lenders with all the tools necessary to deliver the required documents for the approval of the originated loan(s) in their respective affordable homebuyer programs. **eHP FrontPorch** is a secure, easy to use and efficient way for lenders to deliver the Compliance File, Correct DEFIs, and pay the required Compliance Review Fees via our **eHPay** on-line fee approval, and related tools.

To assemble the compliance file, you will need a checklist. The checklist is specific to this Program and used to submit the compliance documents post-closing to eHousingPlus.

[Log-in here and use the eHProForms App.](#)

Items to be uploaded in the compliance file include:

- FINAL SIGNED 1003
- FINAL SIGNED CLOSING DISCLOSURE (CD)

UPLOAD THE COMPLIANCE FILE

[Log-in here and use the Digital Docs App](#) to upload the compliance file. The Compliance File should be a PDF file uploaded upright and in a clear legible format, composed of all required documents on the Checklist. Don't upload a compliance file until everything is included in the package. The more complete the file, the quicker the review and approval, and the file AND fee must be received to start the review process. Be aware that Loans will go straight to deficient status if items are missing, or if the fee was not received or properly identified. Once you are ready to upload your documents select eHPDigital Docs and from the drop-down menu click on New Upload and follow the prompts.

SUBMIT THE REQUIRED COMPLIANCE REVIEW FEE

The Compliance Review Fee may be submitted separately from the Compliance File.

eHPay is a secure, efficient method for lenders to pay the fees ON-LINE. Loans managed through eHPay are processed faster, without fee errors or other unnecessary delays. The Lenders Accounting Staff can access eHP FrontPorch and process the compliance fees payment easily via the Digital Docs App and eHPay.

Not sure of the required fee for your loan? Use the **FIND MY FEE** feature and get the instant answer by entering the eHP loan number or by Program. Compliance Files Uploaded are NOT ready for review until the Compliance Review Fee Payment has been received by eHP.

USE PAYMENT CENTRAL to determine any loan that may be pending fees, unidentified payments, files pending payment and short payments.

LOANS PENDING FEES lists Compliance Files that have been uploaded successfully, but whose fee payment is still pending. Lenders can monitor this area to ensure their fees have been delivered in a timely manner.

UNIDENTIFIED PAYMENTS are payments received from your company without the proper identification to apply it to the intended loan. Lenders can monitor this area to ensure that payments made are being properly identified with the eHP LOAN NUMBER.

PAID LOAN FILES lists compliance files that have been paid.

SHORT PAYMENTS If an incomplete payment is submitted, it will be displayed indicating the amount paid and the correct fee amount.

CLEAR A DEFICIENT COMPLIANCE FILE

LOAN DEFICIENCIES ARE NOT ACCEPTED VIA EMAIL.

Clearing files deficiencies is critical to your loan being approved and ultimately purchased. In the Deficient Compliance Files drop down, choose View/Upload Corrected DEFIs. This area will assist you in viewing what needs to be corrected, which documents are approved and complete, and you will have the ability to upload the correction and communicate with us in one simple area. It is very helpful in resolving outstanding issues and having broader visibility for all of your post-closing staff who may need to work on resolving these discrepancies. Please make sure that you're shipping and post-closing staff is very familiar with this area. Remember your loan can't be approved with deficiencies.

EHP COMPLIANCE APPROVAL

Following approval of Compliance File by eHousingPlus, lenders are notified and reminded of the purchase deadline. The Master Servicer is notified and the file may be approved for purchase.

SUBMIT MORTGAGE FILE & CREDIT PACKAGE TO SERVICER

The Mortgage File including Credit Package are uploaded to TMS using KISS Pipeline. Contact TMS with questions Support@TheMoneySource.com

These NextGen Lender Platform tools have been designed to help you complete your tasks quick and easy.

eHProForms

eHProForms is our newly designed forms generation App where a lender will access all Program related documents. Using a search feature to quickly access the loan file, it provides all of the Program forms that are required for your specific loan.

The forms are now organized by purpose leading with compliance related forms which will be part of the compliance package you sent to eHousingPlus, the closing second lien assistance and other similar forms you will submit to the Master Servicer and their package and two additional areas for special forms and documents that may apply to your loan. The forms instantly generate from your loan record so it's essential to make sure that you review the information for accuracy.

If something needs to be updated you can log into the [eHPortal](#), edit the loan and you come back to eHP FrontPorch and regenerate the forms.

It's easy and you can create forms as many times as you need with just one click.

If your loan record has not been updated, your loans will be incorrect, and your file will be placed in deficient status.

Clicking the waffle menu at the top of the page is an easy way to get back to the main menu.

PROGRAM TIMETABLE

Buyers MUST HAVE A FULLY- EXECUTED SALES CONTRACT FOR A SPECIFIC PROPERTY in order to have funds reserved or be on a waiting list. The contract may be dated on or [?] prior to the date of the loan application. Buyers may be pre-qualified. However, if the buyer does not have a contract on a property, Program funds cannot be reserved for the buyer until such time as the buyer presents a valid contract. To assure that loans are purchased, please follow the Processing, Delivery, and Purchase Timetable below. Please DO NOT reserve loans that cannot meet the timetable.

If the loan is not underwriter certified PRIOR to the loan closing, the loan is subject to cancellation. eHousingPlus notifies Lenders via email that the loan may be canceled if the underwriter certification is not completed. If the closing date is extended, please change the closing date in the eHPortal. If your underwriter needs additional time to complete the certification, just email eHousingPlus and ask that a Note be added to the file so the loan does not cancel. Should the loan reservation be canceled at any point during the reservation, the issuer may allow the loan to be reinstated at the higher of the mortgage rate originally reserved or the current Program mortgage rate.

Loan Processing, Delivery and Purchase Timetable

Once a loan is reserved in the eHousingPlus system and is provided the Master Servicer's Loan number, the loan must be:

- Underwriter Certified PRIOR to loan closing
- Purchase within 60 days of loan reservation
- 60 days is from reservation to loan purchase by the Master Servicer (this means the loan file closed, received compliance approval and is purchased by The Money Source).

Loan Processing, Delivery and Purchase Timetable

Once a loan is reserved in the eHousingPlus system and is provided the Master Servicer's Loan number, the loan must be

- (1) underwriter certified ANYTIME prior to closing
- (2) purchased within 60 days of loan reservation.

Loan Purchase Extension Fee

Loans purchased after the maximum delivery date are subject to re-pricing costs and possible late purchase fees. These costs will be netted from the Lender's SRP at loan purchase.

Loans delivered to Servicer that have been Underwriter Certified but not purchased by day 60 will NOT be cancelled. Loans that are not delivered by the maximum delivery date (60 days), however, are subject to cancellation.

Any loan not purchased within 60 days will automatically receive a purchase extension. There is a fee that is separate from any re-pricing cost that may apply if lender delivers loan with incorrect rate or if lender's loan is purchased past the delivery deadline or after extension was requested then expired.

Extension Fees (to extend reservation of "lock")

7 DAY EXTENSION	.06250 PTS
15 DAY EXTENSION	.12500 PTS
22 DAY EXTENSION	.18750 PTS
30 DAY EXTENSION	.25000 PTS

Extension Fees may NOT be charged to the borrower.

The extension fee will be netted from Lender at loan purchase by the Master Servicer.

PROGRAM FEES

eHousingPlus Fee

The Program includes a first mortgage Compliance/Admin Fee of \$350. A penalty fee of \$100 may be assessed for files that are chronically deficient. The penalty fee is chargeable only once per application. The Compliance/Admin Fee is submitted with the Compliance File via [eHP FrontPorch using the eHPay App](#).

The Compliance/Admin Fee is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system and assists the lender in processing the loan ensuring eligibility to the Program available offerings, which can include various rate options, and down payment assistance.

The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally, the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State, and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements, and may include those for a first-time homebuyer (income limits, sales price limits, targeted areas, homebuyer education, rate, term, points, fee limits, LTV, FICO score, special state, city, county program requirements for qualified military, first responders, teachers, etc.).

The Money Source (TMS) Fees

4. Flood Life or Loan Certificate	\$15	\$0	\$15
5. 2 nd Mortgage Servicing Fee (deferred payment due on sale of loans)	\$0	\$125	\$125

The TMS Funding Fee Schedule includes fees that may or may not be charged based on the loan options selected and if the loan compliance file has included all items. For example, TMS will not charge a Fraud Prevention Fee as long as the compliance file already includes a Fraud Report.

HHFDC Fees

HHFDC charges a \$500 fee for each mortgage and a \$500 fee for each downpayment assistance second mortgage. If only a mortgage is applied for, the total HHFDC fee is \$500. If a mortgage and downpayment assistance second mortgage is applied for, there is a \$500 fee each, totaling \$1,000. Payment is due to HHFDC at closing. Payment must be remitted via cashier's check, money order or business check, payable to Hawaii Housing Finance and Development Corporation, 677 Queen Street, Suite 300, Honolulu, Hawaii 96813. Electronic payments are not accepted.

The HHFDC Invoice is found in [eHP FrontPorch](#) using the eHProForms App.

The invoice and fee should be sent to the above address.

LENDER FEES AND COMPENSATION

Any fee and expense imposed by lender must be reasonable, customary, and comparable to other FHA, loans of similar size. All fees and expenses must be fully disclosed to the Borrower in accordance with federal, state, and local laws and regulations. Excessive fees, excessive expenses, and "Junk Fees" are considered contrary to HHFDC objectives and prohibited.

CALCULATING INCOME

Program qualifying income considers the income of borrowers and their spouses (regardless of spouse’s occupancy of the primary residence and whether or not a party to the loan) AND all household members 18 years of age or older (related or unrelated). When calculating Program Eligibility Income, there are two types of income to consider – income from an employer and income from all other sources. **Include all income unless specifically listed as excluded in this guide.**

Calculating Income from an Employer

Determine whether the Borrower receives **base pay only** or a combination of **base pay and additional income** from an employer.

Calculate “Base Pay from an Employer”

Regular Hours/Pay

1. Determine frequency of income - weekly, bi-weekly, semi-monthly, etc.
2. Identify documentation needed to support payment frequency and calculation.
3. Apply Calculation - *(Base Wage x Hours Worked in a Pay Period) x (# of Pay Periods Per Year)*
4. This should approximate the annualized YTD on VOE or paystubs. If not, check for additional pay, such as overtime, bonus, shift differential, etc. (Employers don’t always break this out on the VOE).
5. See additional guidance on calculating base pay from an employer.

Hourly pay	Bi-weekly pay	Semi-Monthly pay
Multiply the pay per hour by the number of hours worked per week. Multiply total by 52 weeks a year.	Multiply the bi-weekly pay by 26.	Multiply the semi-monthly pay by 24.
<i>Example:</i> 1. \$15 per hour x 40 hours a week = \$600 2. \$600 x 52 weeks a year = \$31,200 3. \$31,200 / 12 = \$2,600 gross monthly base pay	<i>Example:</i> 1. \$1,200 every two weeks x 26 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay	<i>Example</i> 1. \$1,300 semi-monthly pay x 24 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay

Irregular Hours/Pay

1. Annualize YTD Earnings total.
2. Average prior year’s earnings total, if available, (or provide documentation and explanation to support not using the prior year’s earnings.) Divide the resulting number by the number of months and days worked and then multiply that number by 12 months to get total average pay from an employer.
3. See additional guidance on calculating base pay from an employer.

Calculate “Additional Pay from an Employer”:

1. In the Earnings section of paystub or VOE, look for additional income earned that is not included in **base**. (Sick, vacation, holiday, etc. is generally included in **base**.)
2. Add up all additional income that is included in the YTD Earnings Total and not part of **base**.
3. Average prior year’s earnings total, if available, (or provide documentation and explanation to support not using the prior year’s earnings.). Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get an average of **additional pay from an employer**.
4. See additional guidance on calculating additional pay from an employer.
