## **THE PRODUCTS**

(Rates are subject to change, for current rate please visit [ehousingplus.com](http://ehousingplus.com))

No defined limit for first mortgage funds -- continuously funded pools to be replenished and/or supplemented as loans are pooled and delivered. The borrower receives a 30-year, fixed rate, fully amortizing first mortgage loan with 360 level monthly payments.

The following mortgage products are offered in this program: FHA, VA, USDA: RD and Freddie Mac HFA Advantage. US Bank provides the types of government and conventional loan products permitted. The program offers down payment and closing cost assistance in the form of a grant. Borrowers choose the appropriate grant assistance amount. (Rev 03/22/21)

### **FIRST MORTGAGE WITH 3.00%, 4.00% or 5.00% ASSISTANCE GRANT**

The borrower receives a 30-year, fixed rate, fully amortizing first mortgage loan with 360 level monthly payments as well as an assistance payment equal to a percentage of the note amount to apply toward down payment or closing costs. [To view the Lock Rate, Minimum FICO and DPA click on this link \(Click on the RATES/OFFERINGS tab\).](#) Certain income limits and purchase price maximum amounts apply. (Rev 01/20/20)

### **Freddie Mac HFA Advantage Conventional Loan - Income at or below 80% AMI**

These loans will have lower income limits (determined by Freddie Mac and already calculated in this guide) and receive charter level reduced MI coverage. (Updated 02/24/23)

### **Freddie Mac HFA Advantage Conventional Loan - Income OVER 80% AMI**

Effective with new loan reservation 02/27/23

These loans will receive standard MI rates, no Charter Level Reduced MI coverage. (Updated 02/24/23)

### **Assistance Grant**

The Assistance is calculated on the Note amount. Lenders advance the Assistance at closing on behalf of the Authority. Lenders are reimbursed at loan purchase. The Assistance may be used for down payment or closing costs and pre-pays. While there is no cash back in this program, the borrower may be reimbursed for any overpayment of escrow to the extent permitted by Agency (FHA, VA, RD, Freddie Mac) guidelines. Remember to document your files. Because the Assistance is a fixed percentage, any remaining Assistance must be applied as a principal reduction. Assistance is in the form of a non-repayable grant. It is not repayable under any circumstances. When the first mortgage is reserved, the Assistance is automatically reserved. There is no additional reservation necessary. When loans are closed, there are no second mortgages, second notes, deed restrictions or liens. There is no repayment of the Assistance unless there is fraud or similar circumstances.

**Minimum Loan Amount** There is no minimum loan amount in this program.

**Maximum Loan Amount** Follow Agency (FHA, VA, etc) guidelines. Must also meet program maximum purchase price limits. Also considered, loans cannot exceed appraised value. DPA cannot be used as borrowers funds make up the difference between appraised value and purchase price.

**Mortgage Credit Certificate**

The **HFA of Lee County** has authorized the issuance of Mortgage Credit Certificates (MCCs), a federal income tax credit that is a portion of the mortgage interest paid each year. The credit offers a dollar for dollar decrease in federal income tax liability. So the MCC has value only if the MCC recipient has tax liability after all other deductions and credits have been applied.

The federal income tax credit offered is 50% (the credit rate). When the credit rate is over 20%, the maximum MCC benefit is capped at \$2,000 per year. So 50% of the mortgage interest paid each year up to \$2,000 is the maximum tax credit amount that may be claimed. The other 50% of mortgage interest continues to be a federal income tax deduction.

A Mortgage Credit Certificate (MCC) is not a first mortgage or a down payment assistance (\*DPA) program. It is a federal income tax credit for qualified first-time homebuyers. It may be issued in conjunction with the Own a Home Opportunity Grant Program in Charlotte, Collier, DeSoto, Lee, Palm Beach, Sarasota, St. Johns and Volusia counties. The MCC is NOT available in Broward County.

The Mortgage Credit Certificate program has stricter income limits than the Own a Home Opportunity Program. When combining the MCC with the Own a Home Opportunity Program, the MCC stricter income limits apply.

**Mortgage Credit Certificate Income Limits (Effective 06/01/23)**

MCC's are only available in the counties listed below.

## **PROCESS SUMMARY FROM TRAINING TO LOAN PURCHASE**

### **LENDER ONBOARDING**

Our On-Boarding process is designed to provide all participating lenders and their staff web-based training related to the Program, Technical and Workflow requirements of each program.

Based on your role, there are certain training requirements prior to adding a new Program and Features. These are determined based on which modules you have completed in the past, and which Programs you want to add to your Portfolio.

Once you have submitted the eHP On-Boarding Registration, the eHP On-Boarding Team will create a specific training program for you based on the role(s) you selected, and you will receive an email confirmation with relevant information. Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification. [Click on this link to register for training.](#) (Rev 08/22/22)

### **QUALIFY**

Lenders use program requirements to qualify applicants for the program. Buyers must present an executed sales agreement before being entered into the program reservation system.

### **RESERVE FIRST MORTGAGE FUNDS**

To reserve funds, use the [eHousingPlus eHPortal](#). Log in and reserve the first mortgage that will automatically reserve the Grant assistance. To reserve funds in the program, the borrower is required to have a signed real estate purchase contract for a specific address. You will need a 1003 and the Real Estate Purchase contract in order to make a reservation. If the reservation is successful, you will receive a loan number and a message that you've completed the reservation successfully.

**IMPORTANT** - A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHousingPlus Lender Portal. And then, the lender must email ([services@eHousingPlus.com](mailto:services@eHousingPlus.com)) or call the eHousingPlus Compliance office at 954-217-0817 to have the borrower permanently removed from the eHousingPlus Lender Portal. Until this process is complete, the lender will not be able to re-reserve funds for the borrower. (Added 12/12/18)

### **RESERVE MORTGAGE CREDIT CERTIFICATE (OPTIONAL)**

The Mortgage Credit Certificate is a completely separate reservation. Log in and choose the HFA of Lee County MCC program (available in Charlotte, Collier, DeSoto, Lee, Palm Beach, Sarasota, St. Johns and Volusia counties) and reserve the MCC. The MCC is NOT available in Broward County. To reserve funds in the MCC program the borrower is required to have a signed real estate purchase contract for a specific address. You will need a 1003 and the Real Estate Purchase contract in order to make a reservation. If the reservation is successful, you will receive a loan number and a message that you've completed the reservation successfully. (Rev 02/24/23)

**PRINT PRE-CLOSING MORTGAGE CREDIT CERTIFICATE FORM**

The program forms may only be found within the eHousingPlus eHPortal. Forms generated from any other source may void the loan making it not purchasable in the program. A lender will need user credentials for the eHPortal to access the forms. Provide the borrower(s) with the following MCC forms that need to be signed pre-closing: MCC - Notices to Buyers & Recapture (Added 02/24/23)

**PROCESS**

Lenders process the loan as they would normally keeping in mind the program timelines.

**UNDERWRITE AND CERTIFY**

(Rev 12/12/18)

Lenders underwrite & are responsible for credit decisions of the loans in the program. Servicer does not re-underwrite loans. Following credit approval AND WITHIN 15 DAYS OF LOAN RESERVATION, an Underwriter will complete the Underwriter Certification for (2) TWO separate reservations:

- 1) Underwriter Certification for the Own a Home Opportunity Grant Program
- 2) Underwriter Certification for the Mortgage Credit Certificate (if applicable)

**PRINT CLOSING FORMS - OWN A HOME OPPORTUNITY GRANT & MCC (IF APPLICABLE)**

The program forms may only be found within the eHousingPlus eHPortal. Forms generated from any other source may void the loan making it not purchasable in the program. 1) Own a Home Opportunity First Mortgage Documentary Stamp Affidavit

(Added 12/12/18)

**COMPLIANCE FILE DELIVERY INSTRUCTIONS**

**ASSEMBLE THE COMPLIANCE FILE**

Compliance Files and Corrections to previously submitted files with erroneous or missing required documents will be managed through the **eHousingPlus Digital Docs Portal**. This Digital Docs Portal provides lenders with all the tools necessary to deliver the required documents for the approval of the originated loan(s) in their respective affordable homebuyer programs. This Portal is a secure, easy to use and efficient way for lenders to deliver the Compliance File, Correct DEFIs and pay the required Compliance Review Fees via our **eHPay** on-line fee approval, and related tools.

To assemble the compliance file, you will need a checklist found in the eHPortal. This checklist is used to submit the compliance documents post-closing to eHousingPlus. [Log-in to the eHPortal](#) for the Own a Home Opportunity Program to print the Compliance File Checklist.

Items to be uploaded in the compliance file include:

- Homebuyer Education Certificate
- Mortgagor Affidavit
- Real Estate Purchase Contract
- FINAL Signed 1003
- FINAL Signed Closing Disclosure (CD)
- Warranty Deed

## **UPLOAD THE COMPLIANCE FILE TO EHP DIGITAL DOCS**

[Log-in to eHP Digital Docs](#) to upload the compliance file.

eHP Digital Docs works best with the Chrome web browser. The Compliance File should be a PDF file uploaded upright and in a clear legible format, composed of all required documents on the Checklist. Don't upload a compliance file until everything is included in the package. The more complete the file, the quicker the review and approval, and the file AND fee must be received to start the review process. Be aware that Loans will go straight to deficient status if items are missing, or if the fee was not received or properly identified. Once you are ready to upload your documents select the NEW UPLOAD button. Next, determine the file type of what you are uploading. Currently, there are three file types you will upload into the new DD Portal: Compliance Files, DEFIs, and/or pre-closing documents as required. Additional uploads after the Compliance File are identified as Defis. There is a **NOTES** Feature in case there is any pertinent information you want to add to the compliance documents. Once Submitted, the System will confirm that the document was uploaded successfully, or it will present an error. All Files Uploaded, can be seen immediately in **UPLOADED DOCS**. All documents must be a PDF format and must not be locked or encrypted.

## **SUBMIT THE REQUIRED COMPLIANCE REVIEW FEE AND ISSUANCE FEE**

The Compliance Review Fee and Issuance Fee are submitted after the compliance file has been uploaded to eHP Digital Docs.

eHPay is a secure, efficient method for lenders to pay the fees ON-LINE. Loans managed through eHPay are processed faster, without fee errors or other unnecessary delays. The Lenders Accounting Staff can access eHP Digital Docs and process the compliance fees payment easily via eHPay.

Not sure of the required fee for your loan? Use the **FIND MY FEE** feature under **PAYMENT CENTRAL** and get the instant answer.

Compliance Files Uploaded are NOT ready for review until the Compliance Review Fee Payment has been received by eHP.

**FILES PENDING PAYMENT** lists Compliance Files that have been uploaded successfully, but whose fee payment is still pending. Lenders can monitor this area to ensure their fees have been delivered in a timely manner.

**UNIDENTIFIED PAYMENTS** are payments received from your company without the proper identification to apply it to the intended loan. Lenders can monitor this area to ensure that payments made are being properly identified with the eHP LOAN NUMBER.

**SHORT PAYMENTS** If an incomplete payment is submitted, it will be displayed indicating the amount paid and the correct fee amount.

## **CORRECT A DEFICIENT COMPLIANCE FILE**

### **LOAN DEFICIENCIES ARE NOT ACCEPTED VIA EMAIL**

The eHPortal has various tools that alert Lenders when a Compliance File is delivered DEFICIENT. These multiple tools assist you, the lender, in easily correcting these deficiencies and allow your file to be Compliance Approved in a timely manner.

System generated DEFI emails sent at time of review with corrective actions.

Loan's **TIMELINE** Tab depicts pending deficiencies ANYTIME you log in and view your loan.

**EXCEPTIONS/DEFICIENCY** Reports are available on the **REPORTS** Menu in the eHPortal.

The **Corrected DEFI's** are submitted and **UPLOADED** via **eHP Digital Docs**, using the same easy method the Compliance File is delivered.

Log in to **eHP DIGITAL DOCS**

Search for your loan

**NEW UPLOAD:** select your file(s), and if prompted select Corrected DEFI as 'Type'.

The **NOTES** Feature is available to add any relevant information if needed.

**YOU'RE DONE!**

Defi's may be uploaded as a lender receives a document.

Corrected Defi's may be view in eHP Digital Docs under, Uploaded Docs.

## **EHP COMPLIANCE APPROVAL**

Following approval of Compliance File by eHousingPlus, lenders are notified and reminded of the purchase deadline.

## **DIGITAL DOCS HELPFUL TIPS**

**Sign up for eHPay.** This is a secure solution for the payment of fees. [Talk to one of our eHousingPlus Business Representatives about how you can sign up](#), and to answer any questions related to this service. Make sure that every payment made is properly identified with the eHP Loan NUMBER. This is particularly a problem with Wires and ACH payments, as well as bundled payments. [ACH/Wires do not properly identify loans in most cases and hold up the processing of your loans!](#)

Save time by trying to consolidate corrections to your loan files.

Working on DEFI's might be easier if grouped by loan & Program; typically, the same types of errors occur based on varying Program Criteria. Use the reports available on the [eHPortal](#) (EXCEPTIONS/DEFICIENCIES) as a guide and deliver them easy using **eHP Digital Docs**.

**SUBMIT MORTGAGE FILE & CREDIT PACKAGE TO SERVICER**

The Mortgage File including Credit Package are sent to US Bank. The US Bank Delivery and Funding Checklist is found within the US Bank web site.

To locate the US Bank product guidelines and checklist [click on this link](#).

You may need to enable pop-up windows on your web browser. Please contact your IT Department for assistance with this. If you experience any technical difficulty, please contact US Bank HFA Division directly at 800-562-5165. (Rev. 02/24/23)

US BANK notifies lenders of Exceptions, posts exceptions online and sends a weekly summary of outstanding exceptions.

**eHP COMPLIANCE APPROVAL**

Following approval of Compliance File by eHousingPlus, lenders are notified and reminded of the purchase deadline.

**FINAL DOCUMENTS**

The recorded mortgage documents, for both the first and second mortgages, should be sent to U.S. Bank.

**ISSUANCE OF MORTGAGE CREDIT CERTIFICATE**

Upon receipt of uploaded documents and fee(s), the MCC will be processed. Once, approved, the Lenders Authorized Officer will receive a “confirmation of approval” secure email with the MCC. The Lender shall be responsible to provide the MCC to the borrower(s).

## **PROGRAM TIMELINE**

Buyers must have a fully executed sales contract for a specific property in order to have funds reserved or be on a waiting list. The contract may be dated prior to the date of the loan application. Buyers may be pre-qualified. However, if the buyer does not have a contract on a property, program funds cannot be reserved for the buyer until such time as the buyer presents a valid contract.

To assure that loans are purchased, please follow the Processing, Delivery and Purchase Timetable below. Please DO NOT reserve loans that cannot meet the timetable. **This is particularly important with respect to new construction, foreclosures and short sales.** Please wait to reserve funds until loans can meet the timelines below. Loans not purchased within the timeframe below, cannot be purchased.

The revolving pool of funds assures continuous funding. Fund availability makes it unnecessary to rush to reserve funds.

### **Loan Processing, Delivery and Purchase Timetable**

Once a loan is reserved in the eHousingPlus system and is provided the Servicer's Loan number, the loan must be

1. Underwriter certified within 15 days of loan reservation;
2. Closed and delivered to the Servicer within 45 days of loan reservation; and
3. Purchased within 70 days of loan reservation.

Any loan not purchased within 70 days will automatically receive a one-time only 30-day extension. The cost of the extension is \$375. The \$375 extension fee is due whether or not loans are ultimately delivered and/or purchased. The \$375 will be netted by the Servicer when loans are purchased. The extension fee will be netted by the Servicer when loans are purchased. If the loan is not purchased, the originating lender will be billed for the extension fee. Any outstanding fees owed by the Lender may result in that Lender becoming ineligible to participate in the program.

At 101 days, a loan that hasn't been delivered is cancelled. Reinstatement is not guaranteed and, if allowed, is subject to additional penalties in addition to the extension fee.

Again, the extension is offered once per loan and no further extensions will be allowed. Furthermore, any loan not purchased within the approved timeframe may become the liability of the originating lender, including any down payment assistance provided at closing.

To the extent that Assistance is advanced on loans that do not close, are not purchased by the Servicer under the program or are to be repurchased by the lender prior to being pooled into a mortgage-backed security, the lender will be required to reimburse the Authority with respect to such Assistance so advanced.

## **PROGRAM FEES**

The **Compliance/Admin Fee** is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system, and assists the lender in processing the loan ensuring eligibility to the program available offerings, which can include various rate options, and down payment assistance. (Added 10/15/15)

The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements, and may include those for first-time homebuyer, income limits, sales price limits, targeted areas, homebuyer education, rate, term, points, fee limits, LTV, FICO score, special state, city, county program requirements for qualified military, first responders, teachers, etc.). (Rev 08/22/16)

**US Bank Fees**

\$400 Funding Fee.

\$84 Tax Service Fee. (07/17/22)

These fees will be netted at time of loan purchase by U.S. Bank. See US Bank Bulletin SEL-2022-021-Tax Service Fee Update 05-13-22. (Rev. 08/22/22)

**LENDER FEES**

Lenders are permitted to charge reasonable and customary charges for out of pocket expenses and costs. Other financing costs such as legal fees and underwriting fees may be charged and courier fees may be charged if such fees are normally charged. Lenders may charge the usual and reasonable settlement costs. Settlement costs include titling and transfer costs, title insurance, survey fees or other similar costs. Other allowable fees include doc stamp and intangible taxes, doc prep fees, notary fees, hazard, mortgage and life insurance premiums, recording or registration charges, prepaid escrow deposits and other similar charges allowable by the insurer/guarantor. "Junk" fees are not a defined term and may not be charged. Excessive fees are not permitted in the program.

**LENDER COMPENSATION**

Total Lender Compensation = FHA, RD, Freddie Mac Loans 1.50% from SRP + 1.00% Origination Fee = 2.50%

VA Loans 1.00% from SRP + 1.00% Origination Fee = 2.00%

(Rev 06/20/17)

## CALCULATING INCOME ONLY WHEN COMBINING WITH THE MCC

When calculating Program Eligibility Income, there are two types of income to consider – income from an employer and income from all other sources. **Include all income unless specifically listed as excluded in this guide.**

### Part 1 – Calculating Income from an Employer

Determine whether the Borrower receives **base pay only** or a combination of **base pay and additional income** from an employer.

#### Calculate “Base Pay from an Employer”

##### Regular Hours/Pay

1. Determine frequency of income - weekly, bi-weekly, semi-monthly, etc.
2. Identify documentation needed to support payment frequency and calculation.
3. Apply Calculation - *(Base Wage x Hours Worked in a Pay Period) x (# of Pay Periods Per Year)*
4. This should approximate the annualized YTD on VOE or paystubs. If not, check for additional pay, such as overtime, bonus, shift differential, etc. (Employers don't always break this out on the VOE).
5. See additional guidance on calculating base pay from an employer.

Hourly pay	Bi-weekly pay	Semi-Monthly pay
Multiply the pay per hour by the number of hours worked per week. Multiply total by 52 weeks a year.	Multiply the bi-weekly pay by 26.	Multiply the semi-monthly pay by 24.
<i>Example:</i> 1. \$15 per hour x 40 hours a week = \$600 2. \$600 x 52 weeks a year = \$31,200 3. \$31,200 / 12 = \$2,600 gross monthly base pay	<i>Example:</i> 1. \$1,200 every two weeks x 26 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay	<i>Example</i> 1. \$1,300 semi-monthly pay x 24 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay

##### Irregular Hours/Pay

1. Annualize YTD Earnings total.
2. Average prior year's earnings total, if available, (or provide documentation and explanation to support not using the prior year's earnings.) Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get total average pay from an employer.
3. See additional guidance on calculating base pay from an employer.

#### Calculate “Additional Pay from an Employer”:

1. In the Earnings section of paystub or VOE, look for additional income earned that is not included in **base**. (Sick, vacation, holiday, etc. is generally included in **base**.)
2. Add up all additional income that is included in the YTD Earnings Total and not part of **base**.
3. Average prior year's earnings total, if available, (or provide documentation and explanation to support not using the prior year's earnings.). Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get an average of **additional pay from an employer**.
4. See additional guidance on calculating additional pay from an employer.

**Part 2 – Calculating Income from Other Sources**
