PROCESS SUMMARY FROM TRAINING TO LOAN PURCHASE

LENDER ONBOARDING

Our On-Boarding process is designed to provide all participating lenders and their staff web-based training related to the Program, Technical and Workflow requirements of each program.

Based on your role, there are certain training requirements prior to adding a new Program and Features. These are determined based on which modules you have completed in the past, and which Programs you want to add to your Portfolio.

Once you have submitted the eHP On-Boarding Registration, the eHP On-Boarding Team will create a specific training program for you based on the role(s) you selected, and you will receive an email confirmation with relevant information. Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification.

[Click on this link to register for training.](#)

QUALIFY

Lenders use program requirements to qualify applicants for the program. Buyers must present an executed sales agreement before being entered into the program reservation system.

RESERVE FIRST MORTGAGE FUNDS

To reserve funds, use the [eHousingPlus eHPortal](#). Log in and reserve the first mortgage. To reserve funds in the program, the borrower is required to have a signed real estate purchase contract for a specific address. You will need a 1003 and the Real Estate Purchase contract in order to make a reservation. If the reservation is successful, you will receive a loan number and a message that you've completed the reservation successfully.

IMPORTANT - A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHousingPlus Lender Portal. And then, the lender must email (services@eHousingPlus.com) or call the eHousingPlus Compliance office at 954-217-0817 to have the borrower permanently removed from the eHousingPlus Lender Portal. Until this process is complete, the lender will not be able to re-reserve funds for the borrower. (Added 12/10/18)

To assemble the compliance file, you will need a checklist. The checklist is specific to this program and used to submit the compliance documents post-closing to eHousingPlus.

[Log-in here and use the eHProForms App](#) to download the program forms.

Items to be uploaded in the compliance file include:

- FINAL SIGNED CLOSING DISCLOSURE (TRID form)

PROGRAM TIMELINE

Buyers must have a fully executed sales contract for a specific property in order to have funds reserved or be on a waiting list. The contract may be dated prior to the date of the loan application. Buyers may be pre-qualified. However, if the buyer does not have a contract on a property, program funds cannot be reserved for the buyer until such time as the buyer presents a valid contract.

To assure that loans are purchased, please follow the Processing, Delivery and Purchase Timetable below. Please DO NOT reserve loans that cannot meet the timetable. **This is particularly important with respect to new construction, foreclosures and short sales.** Please wait to reserve funds **UNTIL 45 DAYS PRIOR TO CLOSING.** Loans not purchased within the timeframe below, cannot be purchased.

The revolving pool of funds assures continuous funding. Fund availability makes it unnecessary to rush to reserve funds.

Loan Processing, Delivery and Purchase Timetable:

Once a loan is reserved in the eHousingPlus system and is provided the Servicer's Loan number, the loan must be:

- Underwriter certified within **15 days of loan reservation;**
- Closed and delivered to the Servicer within **45 days of loan reservation;** and
- Purchased within **70 days of loan reservation.**

Loan Purchase Extension Fee

Any loan not purchased within 70 days will automatically receive a one-time only 30-day extension. **The cost of the extension is \$375** and the fee is due whether or not the Mortgage Loan is ultimately delivered by the Lender for purchase. If the Loan is delivered and purchased, the fee shall be charged and netted out of the Mortgage Loan purchase price paid to the Lenders, with a separate monthly payment to the Issuer for all collected extension fees. If the extended Mortgage Loan is not purchased to U.S. Bank, the fee will be separately invoiced by the Issuers and paid by the Lender to the Issuers.

If a Lender participating in the Program has a high rate of cancellations of loan reservations, or otherwise engages in behavior inconsistent with Program goals, the Issuers reserve the right to consider the suspension or termination of such Lender with respect to the Program, even if such Lender is in good standing with the Master Servicer.

PROGRAM FEES

FIRST MORTGAGE FEES

1.00% may be charged and retained by lender as an Origination Fee. But No Discount Fees may be charged. At loan purchase by US Bank, lenders net 2.75% as the Authority is paying the 1.75% SRP.

eHousingPlus First Mortgage Fee

The program includes a first mortgage Compliance/Admin Fee and a penalty fee of \$100 for files that are chronically deficient. The Compliance/Admin Fee is submitted with the Compliance File. (Rev 12/12/18)

HFA of Manatee Key to Homeownership Loan \$300

The **Compliance/Admin Fee** is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system, and assists the lender in processing the loan ensuring eligibility to the program available offerings, which can include various rate options, and down payment assistance. (Added 10/14/15)

The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements, and may include those for first-time homebuyer, income limits, sales price limits, targeted areas, homebuyer education, rate, term, points, fee limits, LTV, FICO score, special state, city, county program requirements for qualified military, first responders, teachers, etc.). (Rev 08/22/16)

US Bank Tax Service Fee

\$84 Tax Service Fee.
(Rev 08-26-22)

US Bank Funding Fee

\$400 should reflect as "Investor Funding Fee" on the LE/CD.

LENDER FEES

Lenders are permitted to charge reasonable and customary charges for out of pocket expenses and costs. Other financing costs such as legal fees and underwriting fees may be charged and courier fees may be charged if such fees are normally charged. Lenders may charge the usual and reasonable settlement costs. Settlement costs include titling and transfer costs, title insurance, survey fees or other similar costs. Other allowable fees include doc prep fees, notary fees, hazard, mortgage and life insurance premiums, recording or registration charges, prepaid escrow deposits and other similar charges allowable by the insurer/guarantor. "Junk" fees are not a defined term and may not be charged. Excessive fees are not permitted in the program.

CALCULATING INCOME

When calculating Program Eligibility Income, there are two types of income to consider – income from an employer and income from all other sources. **Include all income unless specifically listed as excluded in this guide.**

Part 1 – Calculating Income from an Employer

Determine whether the Borrower receives **base pay only** or a combination of **base pay and additional income** from an employer.

Calculate “Base Pay from an Employer”

Regular Hours/Pay

1. Determine frequency of income - weekly, bi-weekly, semi-monthly, etc.
2. Identify documentation needed to support payment frequency and calculation.
3. Apply Calculation - *(Base Wage x Hours Worked in a Pay Period) x (# of Pay Periods Per Year)*
4. This should approximate the annualized YTD on VOE or paystubs. If not, check for additional pay, such as overtime, bonus, shift differential, etc. (Employers don't always break this out on the VOE).
5. See additional guidance on calculating base pay from an employer.

Hourly pay	Bi-weekly pay	Semi-Monthly pay
Multiply the pay per hour by the number of hours worked per week. Multiply total by 52 weeks a year.	Multiply the bi-weekly pay by 26.	Multiply the semi-monthly pay by 24.
<i>Example:</i> 1. \$15 per hour x 40 hours a week = \$600 2. \$600 x 52 weeks a year = \$31,200 3. \$31,200 / 12 = \$2,600 gross monthly base pay	<i>Example:</i> 1. \$1,200 every two weeks x 26 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay	<i>Example</i> 1. \$1,300 semi-monthly pay x 24 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay

Irregular Hours/Pay

1. Annualize YTD Earnings total.
2. Average prior year's earnings total, if available, (or provide documentation and explanation to support not using the prior year's earnings.) Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get total average pay from an employer.
3. See additional guidance on calculating base pay from an employer.

Calculate “Additional Pay from an Employer”:

1. In the Earnings section of paystub or VOE, look for additional income earned that is not included in **base**. (Sick, vacation, holiday, etc. is generally included in **base**.)
2. Add up all additional income that is included in the YTD Earnings Total and not part of **base**.
3. Average prior year's earnings total, if available, (or provide documentation and explanation to support not using the prior year's earnings.). Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get an average of **additional pay from an employer**.
4. See additional guidance on calculating additional pay from an employer.
