MORTGAGE CREDIT CERTIFICATES

The Nevada Rural Housing Authority has authorized the issuance of Mortgage Credit Certificates (MCCs). The Program Administrator will be eHousingPlus (the "Administrator").

TAX DISCLAIMER

This material is not intended or written to be used, and it cannot be used, by any taxpayer for the purpose of avoiding tax penalties that may be imposed on the taxpayer. This material may be used to support the promotion or marketing of the matter discussed herein. The taxpayer should seek advice from an independent tax advisor regarding the matter set forth herein based on the taxpayer's particular circumstances.

What is a Mortgage Credit Certificate?

A mortgage credit certificate ("MCC") was designed to assist persons of low and moderate income to better afford their own home. The procedures for issuing MCCs were established as an alternative to the issuance of single family mortgage revenue bonds. As distinguished from a bond program, in a MCC program the mortgagor may take a tax credit in an amount equal to the annual amount of interest paid on the mortgage loan multiplied by the Mortgage Credit Certificate Rate. Currently, to maximize the benefit to the MCC applicants, the Mortgage Credit Certificate Rate for the Program is 20%, there is no annual maximum tax credit cap.

As an example, an Applicant with a \$349,000, 30 year, fixed rate mortgage (monthly payment has equal monthly installments of principal and interest) and a 7.125% interest rate could realize the following federal income tax savings (numbers are rounded):

Example of Buyer Benefit (20% Tax Credit)

- 7.125%, 30-year fixed rate mortgage
- \$349,000 mortgage loan amount
- 20% Tax Credit Rate with no annual maximum tax credit cap
- \$22,685 mortgage interest paid in first year
- Multiply MCC Credit Rate of 20% (.20) x Mortgage Interest Paid (\$22,685) = \$4,537
 - \$4,537 is the maximum potential tax credit
- Borrower has \$5,500 in tax liability (because the tax liability is more than \$4,537 in potential tax credit, the borrower can use the entire amount of the tax credit.
 - Of the \$22,685 mortgage interest paid apply as follows on the tax return:
 - \$4,537 may be applied as a Tax Credit (this is a dollar for dollar reduction)
 - \$18,148 will remain as a Tax Deduction

During the first year of the Program, the Applicant in the example would be eligible for a tax credit of up to \$4,537 if not limited by tax liability. The Applicant would be able to file a revised W-4 withholding form taking into consideration the anticipated tax credit and have approximately \$378 per month in additional disposable income in the first year.

In the example, 100% of the mortgage interest paid is \$22,685 so 20% of the mortgage interest paid is \$4,537. Because the credit rate is 20%, the amount that may be claimed as a credit there is no annual maximum tax credit cap. According to IRS instructions on Form 8396, the amount of allowable mortgage interest deduction on Schedule A is determined by reducing the amount on Line 3 of Form 8396 (\$4,537). So the total mortgage interest paid in the first 12 months was \$22,685, subtract \$4,537 and the remaining \$18,148 may continue to be used as a deduction.

The tax credit amount may be used as a tax credit after all other deductions and credits have been applied and to the extent there is tax liability. If not all of the tax credit can be used because there is not enough tax liability, it may be carried forward for up to three years. However, it cannot be added to the allowable mortgage interest deduction.

Borrowers who receive an MCC and who continue to own and occupy the financed home will be eligible for a tax credit each year for the term of the loan.

The amount of the credit actually claimed on the MCC holder's federal income tax return cannot exceed the amount of federal income taxes due after other credits and deductions have been taken into account.

A purchaser of a new or existing single family home may apply for a MCC through any participating mortgage lender at the time he or she applies for a mortgage from the lender. A MCC cannot be issued to a homebuyer who is refinancing an existing mortgage or in connection with a mortgage from a relative. Also, an MCC cannot be used in connection with a bond program. MCCs may be paired with any of Nevada Rural Housing's DPA programs because they are NOT bond funded programs.

It's important to note that all or a portion of the MCC related tax credit may be subject to recapture if the Residence is sold within the first full nine years of purchase. This tax credit recapture is further explained in the Notice of Potential Recapture Tax and in the Recapture Tax brochure provided to an applicant.

It is important that borrowers understand the MCC and consider getting more information from their tax professional or the IRS.

What is the lender involvement?

Simply follow the guidelines for the first mortgage.

Lenders are responsible for a one-time filing of IRS Form 8329 by January 31st following the year in which the loans with MCCs were originated, and for keeping certain records regarding the MCCs. The Program Administrator will email the completed IRS form for Lender to execute and file with the IRS.

MCC Homebuyer Benefit

The MCC can reduce the amount of federal income taxes; however, the tax benefit cannot exceed the amount of federal taxes owed for the year after other credits and deductions have been taken. But unused credit may be carried forward for up to three years.

As an option, Borrowers will have to adjust federal income tax withholding in order to receive the MCC benefit on a monthly basis. This adjustment is accomplished by the borrower speaking to their payroll department at their place of work. By reducing monthly withholding, they will have more disposable (after tax) income with which to make mortgage payments. The benefit of the MCC program continues for the term of the mortgage as long as the holder of the MCC continues to own and occupy the home under the mortgage for which the MCC was issued.

What does the Homeowner have to do to claim the benefit with the IRS?

Each year the homeowner files Form 8396 with their federal income tax return. The form is available on the IRS website. Borrowers must continue to own and occupy the home as a primary residence to claim the benefit.

MCC Special Rules

Process the MCC following these guidelines, and process the first mortgage using the first mortgage guidelines. After closing, simply follow the compliance file checklists. There are separate checklists for the first mortgage and for the MCC.

The MCC and Final Recapture Notice will be issued by the Program Administrator via mail sent to the borrower at the property address once the compliance file is approved.

Each January, the Program Administrator will provide the Lender with the required IRS reporting form for each year in which the Lender originates loans with MCC's.

Term of Program

MCCs may not be made for loans closing after December 31, 2026. Make certain that loans meet all deadlines that may be imposed on the program. Check with the Program Administrator for further information.

ABOUT THE MCC PROGRAM

Issuer: Nevada Rural Housing Authority

Program Administrator: eHousingPlus

The Program

Entitles the recipients to take an annual federal income tax credit. A tax credit represents a reduction of actual federal income taxes due. The holder of the MCC may use the credit each year the loan is outstanding as long as they continue to live in the home as their primary residence.

Allowable Loan Products

Lenders may choose loans offered by Nevada Rural Housing, or Teacher/Hero loans offered by Nevada Housing Division, or loans from Lender's own rate sheets.

Loans must be --

- FHA, VA, and conventional loans acceptable to Fannie and Freddie that are 30 year, fixed-rate market loans.
- No adjustable rate, balloon, interest only products are permitted. Stated income loans are not permitted.
- MCCs may not be issued for loans funded from a mortgage revenue bond program or for loans made by persons related to the buyer. No interest may be paid to a person related to a buyer.
- Cosigners are allowable in an FHA transaction when meeting the following conditions: (1) a co-signer cannot have any ownership interest in the property (they cannot be on the Deed) and (2) the cosigner cannot reside in the property being purchased. A cosigner will sign only the Note in the transaction. A cosigner's income is not considered for program purposes, tax returns are not required and cosigner's do not sign any program forms. For credit purposes, follow FHA guidelines.

Program Requirements

Three Year Requirement. Borrowers and their spouses must not have owned a principal residence for 3 years prior to closing of the loan for which the MCC will be issued (with exceptions for homes located in Targeted Areas and Veterans Exception loans). The past 3 years federal income tax transcripts for all borrowers and spouses are required.

Principal Residence. The home must be expected to become the principal residence of the Borrower within 60 days following closing. The MCC will be effective only as long as the home remains the Borrower's principal residence along with the original mortgage issued in conjunction with the MCC. Borrowers who refinance the original mortgage must immediately contact Nevada Rural Housing at (775) 887-1795 for further instructions on how to have the MCC reissued after refinancing.

Income and Purchase Price Limits. Household income and the purchase price/sales price of the home are limited.

Qualified Property. Residential Units only. New or existing, one-four units, detached or attached, condos, townhomes, and manufactured homes. **Homes are considered new if never previously occupied.**

- Mobile, recreational, seasonal or other types of vacation or non-permanent homes are not permitted.
- Land may not exceed the size required to maintain basic livability.

New Loans. The loan must be made to acquire a home and may not be used to refinance a home or pay off an existing home/mortgage.

SUMMARY OF THE COMPLIANCE ORIGATION PROCESS

MANDATORY HAL University PROGRAM TRAINING

Lender training is mandatory for anyone working with this program. HAL University provides program training online 24/7. [To attend click on this link.](#)

eHP TECHNICAL AND WORKFLOW TRAINING

Our On-Boarding process is designed to provide all participating lenders and their staff web-based training related to the Technical and Workflow requirements of each program. Based on your role, there are certain training requirements prior to adding a new Program and Features.

Once you have submitted the Technical and Workflow Registration, the eHP On-Boarding Team will create a specific training program for you based on the role(s) you selected, and you will receive an email confirmation with relevant information. Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification.

[Click here to register for the on-demand Technical and Workflow training.](#)

QUALIFY

Lenders use MCC program requirements to qualify applicants for the program. Buyers must present an executed sales agreement before being entered into the program reservation system.

RESERVE MORTGAGE CREDIT CERTIFICATE

To reserve funds, use the [eHousingPlus eHPortal](#). Log in and reserve the mortgage credit certificate. To reserve funds in the program, the borrower is required to have a signed real estate purchase contract for a specific address. You will need a 1003 and the Real Estate Purchase contract in order to make a reservation. If the reservation is successful, you will receive a loan number and a message that you've completed the reservation successfully.

IMPORTANT - A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHPortal. And then, the lender must email (services@eHousingPlus.com) or call the eHousingPlus Compliance office at 954-217-0817 to have the borrower permanently removed from the eHPortal. Until this process is complete, the lender will not be able to re-reserve funds for the borrower.

The Lender will provide the borrower with the MCC Notices to Buyers and Recapture Tax brochure. These form may only be found with the eHPortal. The Lender will need user access to print the forms.

eHP Tip! *Need a reminder as to how to register a loan, complete the UW Certification, edit a loan or print forms?*

[Log-in to eHP FrontPorch](#), then click on the eHPlaylist to view a short video.

PROCESS

Lenders process the loan as they would normally keeping in mind the program timelines. Borrower will need to sign the Notices to Buyers and be given the Recapture Tax Brochure as close to application as possible

PRINT PRE-CLOSING MCC PROGRAM FORMS

The program forms may only be found in [eHP FrontPorch using the eHPro Forms App](#). Forms generated from any other source may void the loan making it not purchasable in the program. A lender will need user credentials to access the forms.

Provide the borrower(s) with the PRE-CLOSING form highlighted in yellow below.

Checklist	Post-Closing form used for compliance file submission to eHP
Notices to Buyers, Recapture Brochure	Pre-Closing Form
Applicant Affidavit	Closing Form
Certificate of Lender Closing Affidavit	Closing Form
Notice of Potential Recapture	Closing Form
Tax Return Affidavit	Closing Form (use only under circumstances when a borrower(s) did not file tax returns.

Compliance Files and Corrections to previously submitted files with erroneous or missing required documents will be managed through the **eHP FrontPorch**. This portal provides lenders with all the tools necessary to deliver the required documents for the approval of the originated loan(s) in their respective affordable homebuyer programs. **eHP FrontPorch** is a secure, easy to use and efficient way for lenders to deliver the Compliance File, Correct DEFIs and pay the required Compliance Review Fees via our **eHPay** on-line fee approval, and related tools.

The more complete the file, the quicker the review and approval, and the file AND fee must be received to start the review process. Be aware that Loans will go straight to deficient status if items are missing, or if the fee was not received or properly identified. Once you are ready to upload your documents select eHPDigital Docs and from the drop down menu click on New Upload and follow the prompts.

SUBMIT THE REQUIRED COMPLIANCE REVIEW FEE

The Compliance Review Fee may be submitted separately from the Compliance File.

eHPay is a secure, efficient method for lenders to pay the fees ON-LINE. Loans managed through eHPay are processed faster, without fee errors or other unnecessary delays. The Lenders Accounting Staff can access eHP FrontPorch and process the compliance fees payment easily via the Digital Docs App and eHPay.

Not sure of the required fee for your loan? Use the **FIND MY FEE** feature and get the instant answer by entering the eHP loan number or by Program. Compliance Files Uploaded are NOT ready for review until the Compliance Review Fee Payment has been received by eHP.

USE **PAYMENT CENTRAL** to determine any loan that may be pending fees, unidentified payments, files pending payment and short payments.

LOANS PENDING FEES lists Compliance Files that have been uploaded successfully, but whose fee payment is still pending. Lenders can monitor this area to ensure their fees have been delivered in a timely manner.

UNIDENTIFIED PAYMENTS are payments received from your company without the proper identification to apply it to the intended loan. Lenders can monitor this area to ensure that payments made are being properly identified with the eHP LOAN NUMBER.

PAID LOAN FILES lists compliance file that have been paid.

SHORT PAYMENTS If an incomplete payment is submitted, it will be displayed indicating the amount paid and the correct fee amount.

CLEAR A DEFICIENT COMPLIANCE FILE

LOAN DEFICIENCIES ARE NOT ACCEPTED VIA EMAIL.

Clearing files deficiencies is critical to your loan being approved and ultimately purchased. In the Deficient Compliance Files drop down, choose View/Upload Corrected DEFIs. This area will assist you in viewing what needs to be corrected, which documents are approved and complete, and you will have the ability to upload the correction and communicate with us in one simple area.

Is very helpful in resolving outstanding issues and having broader visibility for all of your post-closing staff who may need to work on resolving these discrepancies.

Please make sure that you're shipping and post-closing staff is very familiar with this area.

Remember your loan can't be approved without standing deficiencies.

FINAL RECAPTURE FORM AND MCC

Final Recapture Notice required by law is sent by the Administrator to the Lender along with the Mortgage Credit Certificate following Compliance approval. It is the Lenders responsibility to forward both to the borrower.

ISSUANCE OF MORTGAGE CREDIT CERTIFICATE

Upon receipt of uploaded documents and fee(s), the MCC will be processed. Once, approved, the Lenders Authorized Officer will receive a "confirmation of approval" secure email with the MCC. eHousing mails the MCC to the borrower(s) after approval and receipt of all required documents and fees.

MCC PROGRAM FEES

These fees are non-refundable.

The Compliance/Admin Fee is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system, and assists the lender in processing the loan ensuring eligibility to the program available offerings, which can include various rate options, and down payment assistance.

The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements, and may include those for first-time homebuyer, income limits, sales price limits, targeted areas, homebuyer education, rate, term, points, fee limits, LTV, FICO score, special state, city, county program requirements for qualified military, first responders, teachers, etc.).

The Compliance/Admin Fee is submitted with the Compliance File via eHP [FrontPorch using the eHPay App](#).

CALCULATING INCOME

When calculating Program Eligibility Income, there are two types of income to consider – income from an employer and income from all other sources. **Include all income unless specifically listed as excluded in this guide.**

Calculating Income from an Employer

Determine whether the Borrower receives **base pay only** or a combination of **base pay and additional income** from an employer.

Calculate “Base Pay from an Employer”

Regular Hours/Pay

1. Determine frequency of income - weekly, bi-weekly, semi-monthly, etc.
2. Identify documentation needed to support payment frequency and calculation.
3. Apply Calculation - *(Base Wage x Hours Worked in a Pay Period) x (# of Pay Periods Per Year)*
4. This should approximate the annualized YTD on VOE or paystubs. If not, check for additional pay, such as overtime, bonus, shift differential, etc. (Employers don't always break this out on the VOE).
5. See additional guidance on calculating base pay from an employer.

Hourly pay	Bi-weekly pay	Semi-Monthly pay
Multiply the pay per hour by the number of hours worked per week. Multiply total by 52 weeks a year.	Multiply the bi-weekly pay by 26.	Multiply the semi-monthly pay by 24.
<i>Example:</i> 1. \$15 per hour x 40 hours a week = \$600 2. \$600 x 52 weeks a year = \$31,200 3. \$31,200 / 12 = \$2,600 gross monthly base pay	<i>Example:</i> 1. \$1,200 every two weeks x 26 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay	<i>Example</i> 1. \$1,300 semi-monthly pay x 24 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay

Irregular Hours/Pay

1. Annualize YTD Earnings total.
2. Average prior year's earnings total, if available, (or provide documentation and explanation to support not using the prior year's earnings.) Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get total average pay from an employer.
3. See additional guidance on calculating base pay from an employer.

Calculate “Additional Pay from an Employer”:

1. In the Earnings section of paystub or VOE, look for additional income earned that is not included in **base**. (Sick, vacation, holiday, etc. is generally included in **base**.)
 2. Add up all additional income that is included in the YTD Earnings Total and not part of **base**.
 3. Average prior year's earnings total, if available, (or provide documentation and explanation to support not using the prior year's earnings.). Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get an average of **additional pay from an employer**.
 4. See additional guidance on calculating additional pay from an employer.
