ORANGE COUNTY HFA TEAM

Orange County HFA

Issues the bonds *up to \$50 million in 2010”, creates the first mortgage and down payment assistance second mortgage program, sets the rate, term and points, assists with funding financing and markets the program.

Participating Lenders

Take applications, reserve in their own systems, process, underwrite, approve, fund, close and sell qualified loans to the program. Check with your company on how to reserve a bond loan rate in your own system so that you have funds available for closing. Lenders are responsible for servicing first second program loans in accordance with Fannie Mae, Freddie Mac and GNMA requirements until they're purchased by the Master Servicer.

U S Bank Master Servicer

Provides information on acceptable loan products and delivery and funding, receives all mortgage files, reviews mortgage files, notifies lenders of mortgage file exceptions, approves mortgage files, purchases first and second mortgage loans.

US Bank, National Association Trustee

This is a different US Bank division that is providing the service of wiring EPCHA funds for down payment/closing cost assistance to each closing. Please **do not** contact US Bank in Ohio regarding the wiring of these funds. Follow instructions on the DPA Funding Request Form provided in the eHousingPlus system behind security.

Program Administration

Maintains the program reservation system, websites, and posts guides, forms, training materials, provides training on compliance issues and system, answers bond compliance questions, receives compliance files, reviews, posts and notifies of exceptions and approves compliance file.

PROGRAM PRODUCTS

THE FIRST MORTGAGE

First mortgage rates may change during the course of the program. The Authority will announce changes in the rates at least one business day prior to the change. Once loans are reserved they retain the rate as long as the loan meets the timeline. Loans that fail to meet the timeline CANNOT be reserved again at a new rate. [Click here to view the Rates/Offerings chart for allowable FICO, Lock Mortgage Rate and DPA.](#)

30-Year Fixed Rate Loan – The borrower receives a 30-year, fixed rate, fully amortizing first mortgage loan with 360 level monthly payments. Loans may be FHA, VA or USDA:RD insured/guaranteed. Loan has 1.00% Origination and Zero Discount. Lenders cannot charge any additional points.

DOWN PAYMENT/CLOSING COST ASSISTANCE SECOND MORTGAGE

Orange County HFA is making available a 30 year, 0% deferred mortgage loan of up to \$10,000 to all buyers in participating counties.

Borrower Income and Sales Price Restrictions The household income limits and sales price limits are the bond program limits.

Use of Second Mortgage Loan Proceeds Funds may be used for down payment, closing costs, and reimbursement of pre-pays and earnest money deposit to the extent any minimum contribution has been satisfied and that the reimbursement is permitted by Agency guidelines. There is no “cash-back” to the borrower.

Owner Occupancy Requirement The borrower receiving Down Payment Assistance Loan must occupy the residence for the term of the loan or until the loan is satisfied.

Loan Term This is a 30 year deferred loan.

Interest Rate 0%

Loan Amount Maximum: \$10,000 (Effective 10/06/21)

Federal, State and Local Laws and Requirements - Both first and second loans in this program must conform to all federal, state and local laws and requirements.

Origination and Discount Fees No commitment, origination or discount points/fees will be charged on the second mortgage.

Mortgages and Notes: Only the pre-printed mortgages and notes found on the website may be used.

Hazard and Title Insurance Requirements The hazard insurance policy, when issued, must name the Orange County Housing Finance Authority as an insured second mortgagee. The mortgage title insurance policy, when issued, must include the second mortgage as a valid lien against the property subordinate only to the first mortgage.

Recordation Requirements The first and second mortgages must be recorded in the following order: First Mortgage, Assignment of First Mortgage;
Second Mortgage (**Marital Status must be noted for all borrowers**)

Recapture The second mortgage loan is not subject to the Recapture Provision that is applicable to the first mortgage "bond" loan.

Other Subordinate Financing

Financing from other area local governments is encouraged. Lenders should make borrowers aware of all available down payment assistance options. The use of a subsidy provided by another institution or group in addition to the Down Payment Assistance Program offered by the HFA must be subordinate to the HFA second and must take a third position. The Orange County HFA second mortgage loan will not be subordinate to any additional financing,

SECOND MORTGAGE DISCLOSURE REQUIREMENTS

Effective for any loan closing 01/04/18 and after. The determination has been made that the Orange County HFA Second Mortgage, as non-amortizing 0%, 30-year deferred subordinate loans, IS NOT SUBJECT TO TILA or RESPA and lenders may NOT use the new TRID forms (Loan Estimate and Closing Disclosure) for these loans. The use of a separate LE or CR for the second mortgage is NOT required. Instead, lenders are required to use a DPA Loan Disclosure Form created to further clarify the terms of the Second Mortgage for the borrower. The disclosure is generated from the eHousingPlus Lender portal and is signed at closing by the borrower. (Rev 01/04/18)

SUMMARY OF THE COMPLIANCE ORIGINATION PROCESS

LENDER ONBOARDING

Our On-Boarding process is designed to provide all participating lenders and their staff web-based training related to the Program, Technical and Workflow requirements of each program.

Based on your role, there are certain training requirements prior to adding a new Program and Features. These are determined based on which modules you have completed in the past, and which Programs you want to add to your Portfolio.

Once you have submitted the eHP On-Boarding Registration, the eHP On-Boarding Team will create a specific training program for you based on the role(s) you selected, and you will receive an email confirmation with relevant information. Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification.

[Click on this link to register for training.](#)

(Rev 10/06/21)

eHPortal USER CREDENTIALS

Following completion of Program training at eHP University training, an email will be sent to lenders giving directions on how to apply for User Credentials for the eHPortal. These instructions are for both new users of system and existing users looking to add programs to their profile.

Lenders use program requirements to qualify applicants for the program. Buyers must present an executed sales agreement before being entered into the program reservation system.

RESERVE FIRST MORTGAGE FUNDS

To reserve funds use the [eHousingPlus eHPortal](#). Log in and reserve the first mortgage. [Log-in here and use the eHProForms App](#) to print the Notices to Buyers and have the borrower sign. And then print and give the Recapture Brochure to the borrower.

IMPORTANT - A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHousingPlus Lender Portal. And then, the lender must email (services@eHousingPlus.com) or call the eHousingPlus Compliance office at 954-217-0817 to have the borrower permanently removed from the eHousingPlus Lender Portal. Until this process is complete, the lender will not be able to re-reserve funds for the borrower. (Added 12/10/18)

The Compliance Review Fee may be submitted separately from the Compliance File.

eHPay is a secure, efficient method for lenders to pay the fees ON-LINE. Loans managed through eHPay are processed faster, without fee errors or other unnecessary delays. The Lenders Accounting Staff can access eHP FrontPorch and process the compliance fees payment easily via the Digital Docs and eHPay apps.

Not sure of the required fee for your loan? Use the **FIND MY FEE** feature and get the instant answer by entering the eHP loan number or by Program. Compliance Files Uploaded are NOT ready for review until the Compliance Review Fee Payment has been received by eHP.

USE **PAYMENT CENTRAL** to determine any loan that may be pending fees, unidentified payments, files pending payment and short payments.

LOANS PENDING FEES lists Compliance Files that have been uploaded successfully, but whose fee payment is still pending. Lenders can monitor this area to ensure their fees have been delivered in a timely manner.

UNIDENTIFIED PAYMENTS are payments received from your company without the proper identification to apply it to the intended loan. Lenders can monitor this area to ensure that payments made are being properly identified with the eHP LOAN NUMBER.

PAID LOAN FILES lists compliance file that have been paid.

SHORT PAYMENTS If an incomplete payment is submitted, it will be displayed indicating the amount paid and the correct fee amount.

CLEAR A DEFICIENT COMPLIANCE FILE

Click the message icon and a menu of eHousingPlus staff will appear at the top with their role for you to make the appropriate selection. You may include your team members who have user credentials to eHP FrontPorch that may assist in expediting solutions for your loans.

In Collaboration Station, you can also find the Servicer notes and exceptions that need to be addressed with them. By providing this view to you it gives you transparency to any problem that has to be resolved related to the mortgage or collateral submitted to the Servicer.

PROGRAM TIMELINE

Buyers MUST HAVE A FULLY- EXECUTED SALES CONTRACT FOR A SPECIFIC PROPERTY in order to have funds reserved or to be on a waiting list. The contract may be dated prior to the date of the loan application. (Buyers may be pre-qualified. However, if the buyer does not have a contract on a property, BOND FUNDS MAY NOT BE HELD for the buyer until such time as the buyer presents a valid contract.)

Bond funds are locked for a buyer when a reservation is submitted on and accepted by the system and a loan number is obtained. All loans must be registered through the eHousingPlus Website.. Complete the reservation form online and submit it via the Internet. Reservations submitted correctly receive a confirmation that the loan has been accepted and a loan number. If submitted incorrectly, there is instant online feedback identifying non-compliance and/or missing information issues. Lenders may choose to print confirmation from "Loan Detail" screen.

Loan Processing, Delivery and Purchase Timeline

New Construction cannot be reserved until 30 days before closing.

Short sales must be accepted by the Lender before making a Reservation.

Reservation (Rate Lock Date) to Underwriter Certification = 15 days

Reservation (Rate Lock Date) to Exceptions Cleared, Loans Purchased = 60 days

Loans not meeting the timetable cancel automatically without notice. Lenders may not automatically replace a loan in this first-come, first-served program. There is no reinstatement of canceled loans.

Loan Purchase Extension

Any loan not purchased within 60 days will automatically receive a one-time only 30-day extension. The cost of the extension is \$500. The \$500 extension penalty fee is due whether or not loans are ultimately delivered and/or purchased.

The \$500 will be netted by the Servicer when loans are purchased. If an extension is not purchased, the originating lender will have 15 days from the date of notice from Issuer to pay the Issuer \$500. A lender will be unable to make additional reservations in the Program until all extension fees have been paid to the Issuer.

Again, the extension is offered once per loan and no further extensions will be allowed. Furthermore, any loan not purchased within the approved timeframe may become the liability of the originating lender, including any down payment assistance provided at closing.

PROGRAM FEES

First Mortgage Fees

There's a 1.00% origination fee and 0% discount fee.

Second Mortgage Fee

Lenders may charge a \$250 processing fee.

eHousingPlus Fee

The program includes a first mortgage Compliance/Admin Fee of \$300 and a penalty fee of \$100 for files that are chronically deficient. The Compliance/Admin Fee is submitted with the Compliance File via eHP [FrontPorch using the eHPay App](#).

The **Compliance/Admin Fee** is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system, and assists the lender in processing the loan ensuring eligibility to the program available offerings, which can include various rate options, and down payment assistance. The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements, and may include those for first-time homebuyer, income limits, sales price limits, targeted areas, homebuyer education, rate, term, points, fee limits, LTV, FICO score, special state, city, county program requirements for qualified military, first responders, teachers, etc.). (Rev 08/22/16)

US Bank Fees

Funding fee should reflect as "Investor Funding Fee" on the LE/CD.

\$475 for loans reserved 09/15/25 and after

\$400 for loan reserved prior to 09/15/25

Lender Fees

Lender Fees are fees paid to the Lender for services rendered (i.e. Processing Fees, Underwriting Fees, Administrative or Administration Fees and Doc Prep Fees). Lender fees should not exceed what is charged to other non-bond buyers by the lenders regardless of what they are called. A first mortgage Application Fee must include only the actual costs of the credit report and/or appraisal. Junk fees are not a defined term and may not be charged.

Lender Compensation

Lenders charge and retain 1.00% charged as Origination OR discount OR combination of both BUT NOT TO EXCEED 1.00% US Bank pays SRP of 1.50% at loan purchase.

- Lenders charge a \$250 processing fee on the second mortgage.

(All of the above may be paid by the borrower and borrower's assistance or by the seller to the extent permitted by the Agency -- FHA, VA, RD)

COMPLIANCE INCOME CALCULATION

When calculating Program Eligibility Income, there are two types of income to consider – income from an employer and income from all other sources. **Include all income unless specifically listed as excluded in this guide.**

Part 1 – Calculating Income from an Employer

Determine whether the Borrower receives **base pay only** or a combination of **base pay and additional income** from an employer.

Calculate “Base Pay from an Employer”

Regular Hours/Pay

1. Determine frequency of income - weekly, bi-weekly, semi-monthly, etc.
2. Identify documentation needed to support payment frequency and calculation.
3. Apply Calculation - *(Base Wage x Hours Worked in a Pay Period) x (# of Pay Periods Per Year)*
4. This should approximate the annualized YTD on VOE or paystubs. If not, check for additional pay, such as overtime, bonus, shift differential, etc. (Employers don't always break this out on the VOE).
5. See additional guidance on calculating base pay from an employer.

Hourly pay	Bi-weekly pay	Semi-Monthly pay
Multiply the pay per hour by the number of hours worked per week. Multiply total by 52 weeks a year.	Multiply the bi-weekly pay by 26.	Multiply the semi-monthly pay by 24.
<i>Example:</i> 1. \$15 per hour x 40 hours a week = \$600 2. \$600 x 52 weeks a year = \$31,200 3. \$31,200 / 12 = \$2,600 gross monthly base pay	<i>Example:</i> 1. \$1,200 every two weeks x 26 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay	<i>Example</i> 1. \$1,300 semi-monthly pay x 24 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay

Irregular Hours/Pay

1. Annualize YTD Earnings total.
2. Average prior year’s earnings total, if available, (or provide documentation and explanation to support not using the prior year’s earnings.) Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get total average pay from an employer.
3. See additional guidance on calculating base pay from an employer.

Calculate “Additional Pay from an Employer”:

1. In the Earnings section of paystub or VOE, look for additional income earned that is not included in **base**. (Sick, vacation, holiday, etc. is generally included in **base**.)
2. Add up all additional income that is included in the YTD Earnings Total and not part of **base**.
3. Average prior year’s earnings total, if available, (or provide documentation and explanation to support not using the prior year’s earnings.). Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get an average of **additional pay from an employer**.
4. See additional guidance on calculating additional pay from an employer.

Part 2 – Calculating Income from Other Sources

TYPES OF INCOME

Determine if there are other sources of income, apart from wages from an employer.

- Include all income, including sick, holiday and vacation pay.
- Average current YTD and prior year's earnings total, if available, (or provide documentation and explanation to support not using the prior year's earnings.). The most recent federal income tax return may also be used for this purpose.

- Include all income that is included in the YTD Earnings Total on a paystub or on a VOE.
