PROGRAM PRODUCTS

PLEASE NOTE THAT RATES AND ASSISTANCE AMOUNTS ARE SUBJECT TO CHANGE AT ANY TIME. With respect to reserved loans, the rate and assistance will not change as long as loans are delivered according to the timetable included in this Guide.

All loans in this program are Assisted Rate Loans. Current rates are displayed within the eHousing Plus system. **PLEASE RELY ON THE SYSTEM FOR THE MOST CURRENT INFORMATION.** Funds are available in a first-come, first-served pool that provides continuous funding.

2nd Lien: The borrower receives a 30-year, fixed rate, fully amortizing first mortgage loan with 360 level monthly payments as well as an assistance payment equal to the percentage of assistance of the note amount to apply toward down payment or closing costs. Current rates are available online within the system. Income limits apply.

No DPA/Best Rate: This option provides a 30-year, fixed rate, fully amortizing first mortgage with 360 level monthly payments. There is no 2nd lien. The rate is superior to many regular market rates available. These loans are not subject to any Loan Level Price Adjustments. This can be combined with local assistance programs. US Bank and Agency guidelines apply. (Added 05/01/23)

DAILY RATE LOCK RESERVATION AVAILABILITY

Reservations in this program are available Monday - Friday 9:00 a.m. - 8:00 p.m. Central Time excluding holidays. [Click here to view the Rates/Offerings chart for allowable FICO, Lock Mortgage Rate and DPA.](#)

Down Payment Assistance

Assistance is in the form of a 3-year, forgivable, 0% deferred second mortgage (forgiven at the end of 3 years – NOT forgiven monthly). The Assistance is calculated on the Note amount. The Assistance may be used for down payment or closing costs and pre-pays. While there is no cash back in this program, the borrower may be reimbursed for any overpayment of escrow. Because the Assistance is a fixed percentage, any remaining Assistance must be applied as a principal reduction. The second mortgage is funded by SETH via electronic wire transfer by SETH's Custodial Agent Bank of Texas. The DPA second mortgage will only be due from the borrower if the first mortgage is prepaid, refinanced or if the borrower sells, transfers or otherwise disposes of the property, including foreclosure, before the end of the 36 month period. The assistance is reserved automatically with the first mortgage reservation. There is no additional reservation necessary. Second mortgage forms include: Partial Exemption disclosure, Deed of Trust and Promissory Note all signed at closing. The Notice of DPA (FHA Loan only) will be signed at closing. These forms can only be found in [eHP FrontPorch](#) using the eHProForms App.

SECOND MORTGAGE FAQ

1. **How do I determine the maturity date that is inserted on the note, by first payment date or Note date?** Maturity date is determined by Note date, 3 years following date on the Note. For example, if a second Note date is March 8, 2019, the second Note maturity date is March 8, 2022. (Added 04/01/19)
2. **Will a separate Loan Estimate (LE) and Closing Disclosure (CD) be required for the second mortgage?** No, the program form, DPA Loan Disclosure, will serve as the LE/CD. The DPA Loan Disclosure is to be signed at closing.
3. **Can the DPA Loan Disclosure be e-signed?** Yes, the master servicer accepts e-signatures so long as the lender is set-up with US Bank to do so.
4. **How should the DPA be entered in AUS?** Follow FHAVA/RD guidelines for correct input.
5. **Does the 2nd Deed of Trust need to be recorded?** Yes, the originating lender records the DOT (Deed of Trust) and returns it to U.S. Bank's Final Document department.
6. **Who endorses the 2nd Promissory Note to U.S. Bank?** The 2nd Promissory Note is in the name of SETH HFC.
7. **Will SETH subordinate the 2nd so my borrower can refinance during the 3-year forgivable period?** No.
8. **Are there specific disclosures required for the 2nd mortgage recording fee?** The CFPB released a final rule regarding TILA and RESPA disclosures on HFA second mortgages in July. The Final rule amends the RESPA exemption to clarify that any transfer taxes borrowers pay at closing are an allowable fee. The rule also EXEMPTS state and local recording fees and taxes from being counted toward the 1% fee cap.
9. **Are the recording fees listed on the 1st mortgage CD?** eHousingPlus and US Bank do not provide information on where those fees are to be listed. Lenders should take direction from their internal compliance department on disclosing the 2nd lien recording fees.
10. **Are there any other fees for the 2nd mortgage?** No, just the recording fee.
11. **Does the lender fund the assistance at closing?** No. Follow existing funding request procedures. The wire request form must be submitted 2 business days prior to closing and will be created from the LOAN FORMS section in the eHousingPlus Lender Portal.

PROCESS SUMMARY FROM TRAINING TO LOAN PURCHASE

Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification.

QUALIFY

Lenders use program requirements to qualify applicants for the program. Buyers must present an executed sales agreement before being entered into the program reservation system.

RESERVE

To reserve funds use the [eHousingPlus eHPortal](#). Log in and reserve the first mortgage that automatically provides Assistance. You will receive a loan number and a message that you've completed the reservation successfully.

IMPORTANT - A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHPortal. And then, the lender must email (services@eHousingPlus.com) or call the eHousingPlus Compliance office at 954-217-0817 to have the borrower permanently removed from the eHousingPlus Lender Portal. Until this process is complete, the lender will not be able to re-reserve funds for the borrower.

UPLOAD THE COMPLIANCE FILE TO EHP DIGITAL DOCS

[Log-in here and use the Digital Docs App](#) to upload the compliance file.

The Compliance File should be a PDF file uploaded upright and in a clear legible format, composed of all required documents on the Checklist. Don't upload a compliance file until everything is included in the package. The more complete the file, the quicker the review and approval, and the file AND fee must be received to start the review process. Be aware that Loans will go straight to deficient status if items are missing, or if the fee was not received or properly identified. Once you are ready to upload your documents select eHPDigital Docs and from the drop down menu click on New Upload and follow the prompts.

SUBMIT THE REQUIRED COMPLIANCE REVIEW FEE

The Compliance Review Fee may be submitted separately from the Compliance File.

eHPay is a secure, efficient method for lenders to pay the fees ON-LINE. Loans managed through eHPay are processed faster, without fee errors or other unnecessary delays. The Lenders Accounting Staff can access eHP FrontPorch and process the compliance fees payment easily via the Digital Docs and eHPay apps.

Not sure of the required fee for your loan? Use the **FIND MY FEE** feature and get the instant answer by entering the eHP loan number or by Program. Compliance Files Uploaded are NOT ready for review until the Compliance Review Fee Payment has been received by eHP.

USE **PAYMENT CENTRAL** to determine any loan that may be pending fees, unidentified payments, files pending payment and short payments.

LOANS PENDING FEES lists Compliance Files that have been uploaded successfully, but whose fee payment is still pending. Lenders can monitor this area to ensure their fees have been delivered in a timely manner.

UNIDENTIFIED PAYMENTS are payments received from your company without the proper identification to apply it to the intended loan. Lenders can monitor this area to ensure that payments made are being properly identified with the eHP LOAN NUMBER.

PAID LOAN FILES lists compliance file that have been paid.

SHORT PAYMENTS If an incomplete payment is submitted, it will be displayed indicating the amount paid and the correct fee amount.

CLEAR A DEFICIENT COMPLIANCE FILE

LOAN DEFICIENCIES ARE NOT ACCEPTED VIA EMAIL.

Clearing files deficiencies is critical to your loan being approved and ultimately purchased. In the Deficient Compliance Files drop down, choose View/Upload Corrected DEFIs. This area will assist you in viewing what needs to be corrected, which documents are approved and complete, and you will have the ability to upload the correction and communicate with us in one simple area.

Is very helpful in resolving outstanding issues and having broader visibility for all of your post-closing staff who may need to work on resolving these discrepancies.

Please make sure that you're shipping and post-closing staff is very familiar with this area. Remember your loan cannot be approved with outstanding deficiencies.

PROGRAM TIMELINE

Buyers MUST HAVE A FULLY- EXECUTED SALES CONTRACT FOR A SPECIFIC PROPERTY in order to have funds reserved. The contract may be dated prior to the date of the loan application. Buyers may be pre-qualified. However, if the buyer does not have a contract on a property, program funds cannot be reserved for the buyer until such time as the buyer presents a valid contract.

To assure that loans are purchased, please follow the Processing, Delivery and Purchase Timetable below. Please DO NOT reserve loans that cannot meet the timetable. This is particularly important with respect to new construction, foreclosures and short sales. Please wait to reserve funds. Loans not purchased within the time frame below, cannot be purchased.

The revolving pool of funds provides continuous funding. Fund availability makes it unnecessary to rush to reserve funds.

Loan Processing, Delivery and Purchase Timetable:

PLEASE DO NOT RESERVE EARLY -- loans must be underwriter certified within 25 days of reservation

Once a loan is reserved in the eHousingPlus system and is provided the Servicer's Loan number, the loan must be

1. underwriter certified within 25 days of loan reservation
2. compliance file delivered to eHousingPlus within 10 days of closing
3. purchased within 70 days of loan reservation.

Loan Purchase Extension Fee

Any loan not purchased within 70 days will automatically receive a 30-day extension. The cost of the extension is 25 basis points based on the total loan amount of the 1st lien. The extension fee is due whether or not loans are ultimately delivered and/or purchased. The fee will be netted by the Servicer when loans are purchased. If the loan is not purchased, the originating lender will be billed for the cost of the lock extension. 25 basis points based on the total loan amount of the 1st lien. (Rev. 01/03/23)

At 101 days, a loan that hasn't been delivered is cancelled and cannot be reinstated.

The extension is available once per loan and no further extensions will be allowed. Furthermore, regardless of choosing an extension, any loan not purchased within the approved timeframe will become the liability of the originating lender.

To be eligible for a re-lock, the current lock must be expired for 60 days. If the borrower changes the property address to be purchased, they are eligible to lock again and not subject to any waiting period. (Rev 07/18/16)
